BRIEF REPORT ON THE TECHNICAL TALK

Title of the event: "Pathway to success: Career guidance and global opportunities for Civil Engineers"

Resource person:	Dr. ANIL SAGAR S. Faculty of Civil Engineering Department, NIT Calicut.
Coordinators:	Dr. Radhika M. Patel and Prof. Naveen Kumar M., Asst Prof/CV, Dr. AIT
Date and Time of the event:	3rd March 2026, from 08:30 AM – 11: 00 AM
Venue:	S – 001 (Silver Jubilee Building)
Number of participants:	83
Target Group:	6th semester Students of Civil Engineering Programme

Objectives of the Webinar:

- To give awareness to students about various types of exams conducted by State Government, Central Government and PSUs and to guide them to decide their future based on their competency.
- To discuss about the GATE exam preparation, benefits of qualifying GATE in the field of higher studies and job opportunities.

Discussions during the Webinar:

The event started with the welcome speech by 6th semester UG Student. She welcomed all the students and faculty participants of the event and gave a brief introduction about the resource person. At the end of the welcome speech, Dr. Syed Abu Sayeed Mohammed (HoP/CV) welcomed the resource person as a courtesy.

Dr. Anil Sagar then delivered his presentation on "Pathway to success: Career guidance and global opportunities for Civil Engineers". He explained various career paths available for Civil Engineering students after completing their B.E. degree. He discussed

about the advantages of GATE qualification on higher studies at NIT's, IIT's and abroad. He elaborated on opportunities in State Government, Central Government, and the Private sector.

Finally, the resource person addressed the questions raised by the students. After the interaction session, he thanked the management, HoP and HoS for the opportunity. Finally our HoP concluded the session by thanking the resource person for his informative and effective presentation.

Outcome of the Presentation:

- Knowledge about various opportunities available in State Government, Central Government, and Private sector.
- Understanding the advantages of clearing GATE exam on various opportunities in the Civil Engineering field.
- Preparation ideas like time management, syllabus needed to study, method of studying and memorizing the concepts for cracking the competitive exams are addressed.
