Introduction

The Department of Humanities and Social Sciences, along with the NSS Unit of Dr. AIT, organized a two-day outreach programme at Government Primary School, Bapeli Cross, Uttara Kannada (Sirsi) on **22nd November 2025**, followed by a visit to **Chitradurga Fort on 23rd November 2025**.

A total of **23 third-semester AIML students** participated in this programme along with the faculty coordinators.

The purpose of this programme was to help students apply the concepts learned in Soft Skills and Communication Skills to real-life situations. During the visit, students practiced communication, teamwork, leadership, confidence, and empathy while interacting with children from a remote government school.

Students also carried out a cleanliness activity as part of NSS, and on the second day, they visited Chitradurga Fort as a part of educational exposure and to strengthen their social awareness and responsibility.

Objectives of the Programme

- To help students learn through real-life experience
- To develop communication and teamwork skills
- To encourage social responsibility and empathy
- To support school children with creative and value-based learning
- To promote cleanliness and awareness through NSS activities

About the School

Government Primary School, Bapeli Cross, is a small rural school serving 30 children from the nearby village community.

The school welcomed our team warmly and supported all activities.

Activities Conducted with School Children

Students conducted simple and fun sessions on:

- Health and hygiene
- Good habits and behaviour
- Importance of language and education
- Confidence-building games
- Basic soft skill

Our student volunteers and faculty members engaged in activities with the school children.

Creative Activities

Children took part in creative tasks like:

- Vocabulary games
- Puzzle activities
- Drawing and colouring

These activities helped the children express their ideas in an enjoyable way. We also distributed books and stationery on behalf of the college, which they used for drawing and had a joyful learning experience.

Moments capturing students' interactions and the outcomes of their activities.

As a token of gratitude, the school presented us with an appreciation letter and a memorial trophy.

NSS Activity on 23rd November – Visit to Chitradurga Fort

While returning to Bengaluru, students visited **Chitradurga Fort** to learn about Karnataka's history, culture, and heritage. This visit gave them a new learning experience outside the classroom.

And they also carried out an NSS activity by collecting plastic waste in designated areas. This promoted environmental responsibility and teamwork.

Plastic Waste Collection

Our NSS volunteers collected plastic waste to promote cleanliness and eco-awareness.

Outcomes of the Programme

- Students involved in real life communication and leadership skills
- They learned teamwork and responsibility
- School children enjoyed creative and fun learning activities
- Students understood the importance of community service
- The programme strengthened the bond between college and the rural community

Conclusion

The two-day outreach programme at Bapeli Cross and the visit to Chitradurga Fort offered valuable learning experiences for the students. Through classroom interactions, creative activities, cleanliness drives, and community engagement, students were able to apply communication, teamwork, leadership, empathy, and social responsibility in real-life settings.

The active participation of school children and the sincere efforts of our student volunteers made the programme meaningful and impactful.

We extend our heartfelt thanks to the College Management, Principal, NSS Officer, AIML Head of Programme, HSS Head of Programme, faculty coordinators, and all the students involved in the activity for their support, encouragement, and cooperation in making this outreach programme a grand success.

“Last but not the least”

Service, in its true sense, means giving and contributing to others. As a small gesture from our college, **Dr. Ambedkar Institute of Technology**, we distributed books, stationery, and colour crayons to the children. They joyfully used them for drawing and creative activities, making the day memorable for everyone.

To remind ourselves of the value of service and kindness, we reflect on this powerful quote:

“The best way to find yourself is to lose yourself in the service of others.”

- Mahatma Gandhi
