This is to certify that Divakar D bearing USN 1DA18CS047, a student of Dr. Ambedkar Institute of Technology, Bengaluru has undergone his Internship with **National Institute of Advanced Studies (NIAS)**, Bengaluru from 01 May, 2021 to 30 Nov, 2021.

During the Internship, he, as part of 4-member team worked on a short project 'Data Repository and Data Mining Applications relating to Satellite Data Processing'. The concepts related to Content Management Systems, open-source software tools and SQL query language were primarily used to address the basic design requirements.

Throughout the period of his internship program, he and the team demonstrated good skills and capabilities in design and development of the project, including the technical documentation related to the project.

He was diligent, enthusiastic and had the zeal to do his best as part of the Internship. He could even demonstrate that he can work independently and was able to effectively multitask to ensure the assignments are accomplished in a professional and timely manner.

During the Internship Program, he and the team were also assisted and advised by Dr. Smitha Shekar B, Associate Professor, Department of Computer Science & Engineering, Dr. Ambedkar Institute of Technology, Bengaluru.

I wish, Mr. Divakar, the best for his career and future endeavors.
