Feedback Action Taken Report

The Feedback Analysis Committee designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students, teachers, employers, alumni .

- Students suggested to add new courses like Machine Learning, Deep Learning, UI/UX Design etc in the curriculum . Accordingly the action is taken and new courses are added in the curriculum in Board of Studies Meeting.
- Students are encouraged to refer to repository of NPTEL and Open courseware videos for different subjects to enhance their understanding of the basic concepts.
- More than 50 % employers are satisfied with student performance. It was suggested to have a mechanism to have association with industry.
- Alumni Appreciated the process of curriculum framing and are ready to have association with the department to help in curriculum framing , delivering technical talk.
