Dear Sir,

Sub: Dr.N.G.P. Arts and Science College - Subject Expert - BoS- Reg.

Greetings from Dr. N. G. P ASC!

We hope to find you and your family safe and healthy.

We are glad to inform you that you have been nominated as a Subject Expert by Bharathiar University for our Commerce with Cost Accounting board from 2020 - 21 onwards for a period of 3 years. We feel that your rich experience in the academic and research domain will help us to enrich our curriculum and the quality of the programme.

As per revised UGC regulations, we have planned to convene the BoS meeting twice in an academic year (May/Dec). You are requested to make it convenient to attend the meeting and offer your valuable suggestions and guidance for curriculum enrichment. The exact date will be communicated later. The necessary TA and DA will be paid as per our Institution norms.

Looking forward your association with Dr.NGPASC.

Thanking You,

Yours faithfully,

A WEBINAR ON

ARTIFICIAL INTELLIGENCE

RULING THE CURRENT WORLD

From SIRI to self-driving cars, artificial intelligence (AI) is progressing rapidly. An AI takeover is a hypothetical scenario in which artificial intelligence (AI) becomes the dominant form of intelligence on Earth, with computers or robots effectively taking the control of the planet away from the human species. The webinar will discuss some of these issues.

MCA DEPARTMENT PROFILE

The Master of Computer Applications program is accredited by National Board of Accreditation (NBA). This program was established in the year 1999 and is the first PG program started in Dr. Ambedkar Institute of Technology, which is affiliated to Visvesvaraya Technological University, Belagavi and Approved by All India Council for Technical Education(AICTE). Currently, this department is offering one PG program and one Ph.D. program in various specializations of Computer Applications. The MCA program received academic autonomy in the year 2016. There has been an increasing trend in the number of students getting placed in National and International IT companies and in top corporate bodies during the recent past. The faculty members are highly qualified and experienced with Doctorate degrees. The department is having five doctorate degree holders guiding 10 research scholars for their PhD degrees. The Department is equipped with state-of-the-art infrastructure and computing facilities with High speed Internet facility.

The Curricula and Syllabi of Master of Computer Applications (MCA) course offered by Dr.AIT is designed considering the need for different Software Houses in India and abroad and has a high job potential in IT Sector in India and abroad as per Outcome Based Education.

The Department is relentlessly striving to perceive and maintain academic excellence at the same time encourages the students to participate in various curricular, co-curricular and extra-curricular activities. A student friendly environment at Dr. AIT nurtures creativity, passion and leadership qualities among students for development of versatile personality & to become employable, creative thinkers in the country and in the world.

ABOUT FDP

A variety of tools can be used in the classroom to support student learning, ranging from traditional to high-tech options. A Learning Management System (LMS) is an online system or software used in eLearning programs and which helps in administration, documentation, tracking, and recording. This workshop covers Google's most popular tools – Google Groups, Google Classroom, Google Forms etc. are now staples for getting organized and getting work done. These collaborative friendly tools have revolutionized the way we communicate, work together, and store information online. Thus a teaching learning tools specifically helps to create, distribute, and manage the delivery of educational content for both students and faculty.
