SUB: INTERNSHIP CONFIRMATION LETTER

Greetings from Institute of Electrical and Electronics Engineers (IEEE – SB PIT)

We are in receipt of your requisition for participating in the IEEE SB PIT Internship Program – July 2021 in Domain of Artificial Intelligence using Python and wish to inform that your requisition has been accepted.

We are happy to inform you that you have been very fortunate to be a part of this Internship Program and we are confident that this program will hone your skills and ability level and would help you do a standout job.

You shall be provided with the initial Knowledge transfer and Domain Training as per the domain you have opted for. Assignments and Tasks will be assigned to you upon completion of the training and shall be in compliance with the domain training provided.

Duration of Internship: 15 Days / 1 Month

Dates of Internship – 23rd August 2021 to 11th September 2021

Domain of Intern: Artificial Intelligence using Python

On behalf of the Program Coordinator, IEEE – SB PIT, we would like you to show great enthusiasm for learning that we believe would result in a strong work ethic during your internship. You shall devote your full capability to learn, understand and try implementing the technical constraints that are discussed during the intern to the best of your ability.

Mr.Jishnu Radhakrishnan , Sr Project Engineer – R & D, Pantech E Learning shall be your mentor throughout the program and shall guide you as per the agenda and assign you assignments & tasks as and when desired.

We truly believe you would benefit immensely from participating in this internship program. We implore you to seriously consider and deploy your skills through the program as a part of the internship position.

The software downloadable links and materials of the same will be sent prior to the start of the internship. Feel free to contact us if you have any questions or need more general information.

Sincerely,

Senthilkumar.M.R

B.E. Computer Science
Dr Ambedkar Institute of Technology, Bangalore

Dear Shrivathsa N V,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship with us for **a period of 3 to 6 months.** Your Internship onboarding will be scheduled anytime between now, through end of March 2022 based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Actual commencement of Internship dates and duration would be shortly communicated to you and the internship would be based on the business demand aligned to your skill tracks.

Though Cognizant Internship being a pre- requisite skill and capability development program, it does not guarantee employment. However, the successful completion of internship will form a critical part of your employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through

23 February 2022

To whom so ever it may concern

This is to certify that Aishwarya B R bearing USN 1DA18CS009, a student of Dr. Ambedkar Institute of Technology, Bengaluru has undergone her Internship with **National Institute of Advanced Studies (NIAS)**, Bengaluru from 1 May, 2021 to 30 Nov, 2021.

During the Internship, she, as part of 4-member team worked on a short project 'Data Repository and Data Mining Applications relating to Satellite Data Processing'. The concepts related to Content Management Systems, open-source software tools and SQL query language were primarily used to address the basic design requirements.

Throughout the period of her internship program, she and the team demonstrated good skills and capabilities in design and development of the project, including the technical documentation related to the project.

She was diligent, enthusiastic and had the zeal to do her best as part of the Internship. She could even demonstrate that she can work independently and was able to effectively multitask to ensure the assignments are accomplished in a professional and timely manner.

During the Internship Program, she and the team were also assisted and advised by Dr. Smitha Shekar B, Associate Professor, Department of Computer Science & Engineering, Dr. Ambedkar Institute of Technology, Bengaluru.

I wish, Ms. Aishwarya B R, the best for her career and future endeavors.

SUB: INTERNSHIP CONFIRMATION LETTER

Greetings from **Institute of Electrical and Electronics Engineers (IEEE – SB PIT)**

We are in receipt of your requisition for participating in the **IEEE SB PIT Internship Program – July 2021** in Domain of **Artificial Intelligence using Python** and wish to inform that your requisition has been accepted.

We are happy to inform you that you have been very fortunate to be a part of this Internship Program and we are confident that this program will hone your skills and ability level and would help you do a standout job.

You shall be provided with the Initial Knowledge transfer and Domain Training as per the domain you have opted for. Assignments and Tasks will be assigned to you upon completion of the training and shall be in compliance with the domain training provided.

Duration of Internship: 15 Days / 1 Month

Dates of Internship – 23rd August 2021 to 11th September 2021

Domain of Intern: Artificial Intelligence using Python

On behalf of the Program Coordinator, IEEE – SB PIT, we would like you to show great enthusiasm for learning that we believe would result in a strong work ethic during your internship. You shall devote your full capability to learn, understand and try implementing the technical constraints that are discussed during the intern to the best of your ability.

Mr.Jishnu Radhakrishnan , Sr Project Engineer – R & D, Pantech E Learning shall be your mentor throughout the program and shall guide you as per the agenda and assign you assignments & tasks as and when desired.

We truly believe you would benefit immensely from participating in this internship program. We implore you to seriously consider and deploy your skills through the program as a part of the internship position.

The software downloadable links and materials of the same will be sent prior to the start of the Internship. Feel free to contact us if you have any questions or need more general information.

Sincerely,

Senthilkumar.M.R

This is to certify that Divakar D bearing USN 1DA18CS047, a student of Dr. Ambedkar Institute of Technology, Bengaluru has undergone his Internship with **National Institute of Advanced Studies (NIAS)**, Bengaluru from 01 May, 2021 to 30 Nov, 2021.

During the Internship, he, as part of 4-member team worked on a short project 'Data Repository and Data Mining Applications relating to Satellite Data Processing'. The concepts related to Content Management Systems, open-source software tools and SQL query language were primarily used to address the basic design requirements.

Throughout the period of his internship program, he and the team demonstrated good skills and capabilities in design and development of the project, including the technical documentation related to the project.

He was diligent, enthusiastic and had the zeal to do his best as part of the Internship. He could even demonstrate that he can work independently and was able to effectively multitask to ensure the assignments are accomplished in a professional and timely manner.

During the Internship Program, he and the team were also assisted and advised by Dr. Smitha Shekar B, Associate Professor, Department of Computer Science & Engineering, Dr. Ambedkar Institute of Technology, Bengaluru.

I wish, Mr. Divakar, the best for his career and future endeavors.

19-Jan-2022

Vignesh G

B.E. Computer Science

Dr Ambedkar Institute of Technology, Bangalore

Dear Vignesh G,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship with us for **a period of 3 to 6 months.** Your Internship onboarding will be scheduled anytime between now, through end of March 2022 based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Actual commencement of Internship dates and duration would be shortly communicated to you and the internship would be based on the business demand aligned to your skill tracks.

Though Cognizant Internship being a pre- requisite skill and capability development program, it does not guarantee employment. However, the successful completion of internship will form a critical part of your employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through

14th July 2021

Dear Sir/Madam,

Sub: 44th series Student Project Programme (SPP): Status of the sanctioned projects

Greetings from KSCST!

I am pleased to inform you that the projects submitted by your institution under the 44th series of SPP-KSCST have beenshortlisted for funding and listed on our website. We do hope that faculty and students have taken note of it. We have also posted the sanction order and sanctioned amount for the projects to your institution.

As per the earlier announcements and due to the prevailing restrictions in the country to contain the COVID-19 pandemic, we are not conducting the midterm evaluations at the nodal centers as done earlier. We plan to organise final evaluation of the projectsonline and to conduct the online evaluations, we would like to have the status of the sanctioned projects.The following are the instructions to be followed to get the projects evaluated online.

- The project guide and SPP Coordinator shall update the project status to KSCST on or before 26th July 2021by email to spp@kscst.iisc.ernet.in.
- The evaluation dates will be announced after 26th July 2021.
- The head of the institute shall make sure that all the sanctioned projects get evaluated online.
- Only students (at least one or two) shall present/demonstrate their project.
- The best projects after online evaluation will be awarded with "Best project of the year Award" under 44th Series of SPP.
- The Project Completion Report (Final report) has to be sent in SOFTCOPY ONLY (SINGLE PDF FILE) by email to spp@kscst.iisc.ernet.in. The pdf file shall include the completion certificate of the project duly signed by the Project Guide and Head of the institution.

The evaluation dates, time-slots and other information regarding the online evaluation will be shared by email / website announcement, once we receive the information from your end.

Thanking you and with best regards,

Yours sincerely,

(H. Hemanth Kumar)

Encl : List of sanctioned projects and NEFT details of released amount.

Subject: 44th Series of Student Project Program – Guidelines for online evaluation of projects

Dear Students and Faculty members,

Greetings from Karnataka State Council for Science and Technology!

This is to inform you that the evaluation of projects sponsored under 44th Series of Student Project Program is scheduled be held **online** this year. **The evaluation of the projects is expected to start on 30th July 2021** and complete latest by 16th August 2021.

The best projects from each branch of engineering will be selected by experts for awarding **"Best project of the year award".** The best projects will be honored with cash prize and certificate from KSCST.

The guidelines for online presentation is printed below for your reference. Please read these carefully and follow all rules to diligently.

1. The online projects evaluation is on Google Meet web platform. The web link will be sent to the Team leader and project guide for online participation one / two days before the evaluation. Please check your emails regularly to note the date and time of evaluation (check in spam box also).

2. The Project teams shall be ready with the short PowerPoint presentation and demo of working model / project outcome. We inform you to intimate the status well in advance to process at our end.

3. The project team members shall login using their actual name and not nick name / short name to enable us to identify the student in the online meeting room.

4. Project team are invited to present through the power point presentation and demo. Please stick on to the time. All the participants except the presenter shall mute the mike and not to initiate / share the presentation. After presentation and evaluation, the team can exit from the presentation group.

5. Each project group is **allotted 10 minutes for presentation and demo**. (date and time will be intimated to you in advance).

6. Please stick to your contributions and project deliverables, taking only 2-3 minutes for introduction/ background and literature. Spend more time on your work – implementation, experiments and results and 2 minutes for special efforts done by you in the project. We expect maximum of two students to present the project.

7. Prepare the presentation in advance and check for lab availability, computers, network etc. Last minute preparation may lead to problems in interacting with experts. Check for adequate internet bandwidth and sufficient lighting for demonstration of your project.

8. Students shall not use mobile for presentation; they need to use laptops or desktops for presentation.

9. The project team shall keep all demo items on a table near the presentation place visible to the experts.

10. Each team needs to focus the camera of the laptop / desktop to show the parts and operations clearly to judges.

11. We except you to do a dry run with your team to seamlessly present without difficulties and interruptions during web review (Google Meet platform).

We plan to bring out a compendium of best projects for which we inform you to submit the following:

1. Project summary and softcopy of the full report.

2. Submit a five-page summary of your project as per the format sent to you in the project sanction order / website and send the same positively by 30th July 2021. This will be included in the technical compendium published by KSCST. (https://www.kscst.org.in/spp/44_series/44_Series_SPP_Approved_Proposals.html)

3. The Project Completion Report (Final report) has to be sent in SOFTCOPY ONLY (SINGLE PDF FILE) by email (spp@kscst.iisc.ernet.in). The pdf file shall include the certificate duly signed by the Project Guide and Head of the institution regarding completion of the project.

Please get in touch with us by email (spp@kscst.iisc.ernet.in) if you need any clarifications regarding the whole process.

Thanking you and with best regards,

H. Hemanth Kumar

CONTAMINATED SOIL ALONG THE VRISHABHAVATHI
RIVER STRETCH AND ITS IMPLICATIONS ON

We are pleased to inform that your student project proposal referred above, has been approved
by the Council under "Student Project Programme - 44th Series" with a budgetary break-up as
detailed below:

Student / s	Mr. Vinod Kumar	Budget	
	Mr. Shivaraj M Mulugund	Particulars	Amount (Rs.)
	Ms. Pallavi N	Materials/Consumables	3,000.00
	Ms. Sudharani S Reddy	Labour	500.00
Guide/s	Dr. S D Venkataranja Mohan	Travel	500.00
	Dr. A.A. Jahagirdar	Miscellaneous	500.00
Department	Civil Engineering	Report	500.00
		Total	5,000.00
	FIVE THOUSAND RUPEES ONLY		

The following are the guidelines to carryout the project work :

a) The project should be performed based on the objectives of the proposal sent by you.

b) The project should be completed in all respects and softcopy of the full report in a CD (single
file .pdf format only) should be submitted to KSCST.

c) Any change in the project title and objectives, etc., or students is liable to rejection of the
project and the amount sanctioned needs to be returned to KSCST.

d) Please quote your **project reference number printed above** in all your future
correspondences.

e) **Important:** After completing the project, 2 to 3 page write-up (synopsis) needs to be sent
by e-mail [spp@kscst.iisc.ernet.in] and should include following :

1) Title of the project
2) Name of the College & Department
3) Name of the students & Guide(s)
4) Keywords

Dr. Ambedkar Institute of Technology

Department of Electrical and Electronics Engineering

The NAAC documents enclosed are verified and approved.

ELITE TECHNO® GROUPS

Skill India Internship

Certificate of Completion to

AJAYKUMAR K H

———— for completing 1-month internship on————
Electric Vehicle internship

In this one-month program, you've shown grit, patience, curiosity and hard-work to learn skills that are important in Industry. And, this is just the start of journey to your dream career. Make your dream come true.

Keep Learning, Keep Exploring!

We wish you all the best for your future

Mayank Arora

BIONIC ENGINEERS

TOGETHER TO GET BETTER

Date: 30-Sep-21

Certificate Number: 2021100277

TO WHOM IT MAY CONCERN

This is to certify that **Ajith M R (1DA18EE002)** has done **Embedded Systems Using IOT** Internship at **Bionic Engineers**, Bangalore, from 30-Aug-21 to 30-Sep-21.

As a part of the internship, Intern has developed an IOT project titled **"Smart Parking Using IOT"**, and has completed and submitted the project on time. During the internship, Intern demonstrated good design skills with self-motivated attitude to learn new things. Interns performance exceeded expectations and was able to complete the project successfully on time. We wish all the best in their future endeavours.

Warm regards,

Chethan G

Project Manager,

TOGETHER TO GET BETTER

Date: 30-Sep-21

Certificate Number: 2021100260

TO WHOM IT MAY CONCERN

This is to certify that **Ramya B N (1DA19EE407)** has done **Embedded Systems Using IOT** Internship at **Bionic Engineers**, Bangalore, from 30-Aug-21 to 30-Sep-21.

As a part of the internship, Intern has developed an IOT project titled **"Smart Parking Using IOT"**, and has completed and submitted the project on time. During the internship, Intern demonstrated good design skills with self-motivated attitude to learn new things. Interns performance exceeded expectations and was able to complete the project successfully on time. We wish all the best in their future endeavours.

Warm regards

Chethan G,

Project Manager,

20ᵗʰ January 2022

This is to certify that Miss. Chandana M (USN: **1DA18IM005**) pursuing B. E Industrial Engineering & Management from **Dr. Ambedkar Institute** of Technology, Bengaluru, underwent her Internship at Volvo CE India Private Limited, Peenya, Bangalore plant from 08ᵗʰ Dec 2021 to 20ᵗʰ Jan 2022.

She has successfully completed her Internship study at Volvo CE India, Bangalore plant.

She has satisfactorily completed her work assigned under the guidance of Snehasish Patnaik, Manager Manufacturing Engineering, Volvo CE India Private Limited, Bengaluru. She has presented her complete Project findings in report titled **"Organization study of Volvo CE India Private Limited, Bangalore"**.

During the above period, we found her to be disciplined and dedicated.

We wish Miss. Chandana M all success in her future endeavors.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Vicky Kumar** who is currently pursuing **B.E** from **Dr. Ambedkar Institute of Technology** has completed his **virtual (online) internship** at **World Cyber Security Forum** as **Tech Intern** from **November 15, 2021** to **February 14, 2022.**

During the course of his internship, he researched on various contentious and non-contentious issues related to cyber laws and cybersecurity & assisted the organization in the best possible way. He has also successfully attended the various sessions related to cyber security and hygiene.

In my interaction with him, I found him to be an extremely hardworking, dedicated and proactive intern. He is an amenable to the advice and instructions given to him. He has performed the work assigned to him to my utmost satisfaction. He has good creative and organizing skills, along with good grasp of technical issues and concepts. I am confident that he will be an asset to the technical profession.

I wish him all the very best for his future endeavours.

Atul Tripathi   January 11, 2022

Dear Atul,

Congratulations!!

After a rigorous process of selection we are pleased to offer you the position of an Intern with For PhonePe Private Limited ("PhonePe" or the "Company") as per the terms of reference given below at our Bangalore, Karnataka, India office.

Your **Six Months** internship will commence on January 24, 2022 and will conclude on June 24, 2022.

For this position, you will be paid a Stipend of **INR** INR 30,000.00 (**Rupees** Thirty Thousand Only) per month (subject to deduction on leaves)

PhonePe, you will soon discover, is all about people -the best people. This offer comes to you as the culmination of a rigorous selection process and you are sure to find a challenging peer group at PhonePe.

We are positive you will find the work environment stimulating and conducive to helping you realize your professional goals.

We trust our relationship will be guided by a quest for excellence in all facets of our interactions as well as based on a foundation of mutual respect and sincerity in all dealings.

Please endorse your acceptance by duly signing the duplicate copy of this letter at the earliest.

Welcome aboard!

Sincere Regards

For PhonePe Pvt. Ltd.

Mr/Ms. Surya C
Dr Ambedkar Institute of Technology, Bangalore, India.

Dear Surya C,

Subject: Internship Letter

With reference to your application, we would like to congratulate you on being selected for internship with AXISCADES Technologies Limited, Bangalore, as per the following terms and conditions:

- Your Internship would be for the period of 3 Months with effect from Thursday, 19th May 22.

- Department / Function : DIG, Bangalore

- Reporting to / Mentor : Mr. Gairik Ghosh

- During this period you will be paid a stipend of **INR 8,000/- (Rupees Eight Thousand only).**

- Your Offer of Full time Employment will follow soon at the end of your Internship, depending on your performance report based on review of your performance by your reporting manager.

- Your internship will focus primarily on learning and developing new skills and gaining a deeper understanding of functional concepts through hands-on application / On-the-Job Learning.

- The project details and technical platform will be shared with you in due course of your internship.

- Either party may terminate this Internship by giving a notice of 1 week to the other side during the period of Internship.

You should report for joining at the following address on your joining date as mentioned above:

AXISCADES Technologies Limited
Kirloskar Business Park, 2nd Floor, Hebbal, Bangalore - 560024

Contact Person: Punith Kumar V

All of us at AXISCADES Engineering Technologies Limited are excited that you will be joining our team!

Once Again, Congratulations and we look forward to working with you.

Yours sincerely,

For **AXISCADES Technologies Limited,**

Sreedhar Ellentala
Senior Vice President – Human Resource

I have read and understood the above terms and conditions and agree to faithfully accept and abide by the same. _Surya-C_

MEMORANDUM OF UNDERSTANDING

BETWEEN

SMI Global Learning Pvt. Ltd., Bangalore
(Brands: Stock Market Institute & Stockbyte)

AND

Aided By Govt. of Karnataka

Date: 12th May, 2022

MEMORANDUM OF UNDERSTANDING

Between

M/s. SMI Global Learning Pvt. Ltd., Bangalore

And

Dr. Ambedkar Institute of Technology, Bangalore

This Memorandum of Understanding is made on this day of, **12th May, 2022** between M/s. **SMI Global Learning Pvt. Ltd. (Brands: Stock Market Institute & Stockbyte)**, having its registered Office at 2307, 12th Main, 3rd Block Jayanagar, Bengaluru, Karnataka 560011, represented by its Director, **Mrs Victoria D'sa** (hereinafter referred to as the **FIRST PARTY**) and **Dr. S. Baskaran, Prof. & Head, Department of MBA, Dr. Ambedkar Institute of Technology**, Bangalore-560056 (hereinafter referred to as the **SECOND PARTY**).

Whereas the **FIRST PARTY** M/s. **SMI Global Learning Pvt. Ltd.** Is an established company at Bangalore, offering courses physically under Stock Market Institute and Finance Learning App (Stockbyte) offering various Certificate courses along with certification to Under Graduate and Post Graduate Students.

Whereas the **SECOND PARTY Dr. Ambedkar Institute of Technology, Bangalore** is a registered institute, currently offering Engineering & Management Courses.

AND whereas first party at M/s. **SMI Global Learning Pvt. Ltd.** is willing to join hands as **Industry Partner** with **Dr. Ambedkar Institute of Technology, Bangalore. BOTH PARTIES** have agreed to enter a **Memorandum of Understanding (MoU)** and also have agreed to accept the following terms & conditions with a common intention of being **legally bound** by them.

Whereas the FIRST PARTY is desirous of offering the following programs to the students of the Second Party, as **an Industry partner.**

Programs offered:

1. Value Added Programs of SMI
2. Certifications on Capital Markets of SMI
3. Free sessions on demand about Understanding Stock Markets and Financial Planning.
4. Bite Size Courses of SMI
5. Students can attend all the Live sessions, Sector Analysis, Stock Dictionary, Master Sessions, Live Market Sessions, Technical Analysis concept Learning, IPO outlook & more
6. Access to Virtual Trading Platform
7. Access to course content/training materials for professional courses, International Qualifications and Certifications etc.

- (There is no commercial involvement to subscribe the app for the next 1 year. International qualifications, professional courses that comes under premium course will have a price of theirs at concessional rates.
- Students will have to pay for the assessments and certificates)

The following outlines are responsibilities of both the parties.

Responsibilities of First Party (Stock Market Institute)

1. Create a referral Code to avail the Free subscription
2. Will ensure quality delivery of the programs by trained faculties or industry experts on App or other mediums as agreed upon.
3. Delivery of the programs and Certification Programs on the app for agreed programs/certifications in prior.
4. Issue of certificates to students who successfully complete the course and clear the assessment.
5. Will give access to Live Sessions and Seminars held on app.

Responsibilities of Second Party (Institute)

a) Complete list of students with their email ID's and mobile numbers to be provided to SMI, for them to create batches and send them invite so that they can download the app and start attending sessions, for joint certification (if required by the institution).

b) College/University should give the details of choice of certificates for their students (batch wise) during signing up of the MOU. Any changes in future may not be entertained, as the students details would be enrolled with the respective global bodies and the fee paid towards the same will not be refundable)

Payment Terms

- None

Duration of the agreement

c) The agreement shall be valid initially for a period of **One Year (2022-23)** and the agreement will be automatically renewed, unless terminated.

d) Both the parties shall have the right to terminate the MoU in the event of violation of any of the conditions, by giving three months' notice. In such an event, the students already admitted shall be enabled to complete their course of study and appear for the relevant examinations. The obligations of both parties will continue to be in force during such period, irrespective of termination of the MoU.

e) In case the parties decide against further renewal of the agreement after expiry, it shall be the responsibility of both the parties to ensure that the students already enrolled shall continue and complete the course as per provisions of this MoU and for this purpose the MoU shall be operative.

Program Cycle

Program cycle will be decided as per mutual consent.

Jurisdiction

In the event of any disputes between the parties, only the courts in Bangalore city shall have exclusive jurisdiction. But no court case shall be preferred by either party until Arbitration has been resorted to and proved unfruitful.

Amendment to the MoU

During the operation of the MoU, circumstances may arise which may call for amendment / alteration in the MoU, which shall be mutually discussed and agreed upon in writing and shall form the part of the original MoU.

Arbitration

Any dispute arising with regard to any aspect of this MoU shall be settled through mutual consultation and written consent by the parties to this MoU.

In case settlement is not arrived at, the dispute will come under the purview and provisions of Indian Arbitration and Conciliation Act 1996 of Government of India and the area of jurisdiction will be Bangalore.

The term 'First Party' and the 'Second Party' aforementioned, unless repugnant to the context shall mean and include their successors in office, authorized representatives and assignees etc.

Having gone through each and every condition of this MoU and having understood it clearly, both the parties affix their signatures below as attesting to this deed on 12th May 2022.

IBM Memorandum of Understanding
IBM Global University Programs

Between Dr. Ambedkar Institute of Technology, Bengaluru and IBM

This is a Memorandum of Understanding (MOU) between International Business Machines Corporation ("IBM Corp") and Dr. Ambedkar Institute of Technology. The purpose of this MOU is to confirm the collaboration between Dr. Ambedkar Institute of Technology and IBM with respect to our intention to work together in the areas of skills, curriculum development, and research, subject to negotiation of a mutually acceptable definitive written agreement(s).

To ensure that the parties understand the nature and the purpose of these discussions so that no misunderstanding occurs, we wish to document the status of the parties' discussions as of this date and provide a framework for ongoing discussions. This MOU sets forth the intentions and understandings of the parties to facilitate our subsequent discussions and evaluations.

Objectives

Dr. Ambedkar Institute of Technology's academic and collaborative interests with this potential relationship are initially focused in the following areas:

- Artificial Intelligence
- Blockchain
- Quantum
- Cloud
- Cybersecurity
- Data Science
- Internet of Things
- Design Thinking

IBM's business interests specific to this potential relationship are initially focused in these areas:

- To build meaningful lasting relationships with universities around the globe,
- Aligned with IBM's Global Ecosystem spanning 170 countries,
- Focused on:
  - Research Innovation - IBM Research engages with strategic university relationships and collaborates on projects that will help fill the highest priority capability gaps.
  - Global Collaboration – IBM Global University Programs collaborates with a broader set of researchers aligned with strategic challenges, sharing state of the art ideas
  - Skills and Recruiting – IBM assists with courses and training resources for faculty, students and partners.
  - IBM University Awards – IBM Global University Programs sponsors various competitive awards for faculty and universities worldwide.

In engaging in such a relationship, Dr. Ambedkar Institute of Technology and IBM believe that each institution will benefit from expanded opportunities in the research, skills and curriculum development space. Dr. Ambedkar Institute of Technology and IBM intend to regularly review the status and progress of this potential relationship with respect to the following areas. These discussions are non-binding.

IBM Responsibilities

Under the proposed relationship, IBM intends to:

- Assist with skills development and curriculum improvements by making available select software, courseware, and other resources of the IBM Academic Initiative
- Provide faculty and students with the opportunity to explore educational resources, tutorials, and experiment with quantum devices through the IBM Q Experience.
- Make the Hyperledger Project using IBM Blockchain available to faculty and students - IBM has made nearly 44,000 lines of code available to the open source Hyperledger Project and is among more than 90 companies supporting the Hyperledger Project, a nonprofit organization openly-governed by the Linux Foundation dedicated advancing blockchain technology. https://www.ibm.com/blockchain/hyperledger.html

- Collaborate to deploy the IBM Skills Academy, including
  - Online learning resources
  - Cloud access for hands on labs
  - Curated content
  - New industry assets as technology changes
  - Digital Certificates
- Make available information about the IBM University Award Programs. As appropriate, IBM will work with Dr. Ambedkar Institute of Technology to submit joint applications for awards, subject to the selection procedures.
- Identify, if possible, volunteer IBM University Ambassadors interested in academic roles, including answering technology questions, providing guest lectures, mentoring students, or participate in projects.
- Invite the Dr. Ambedkar Institute of Technology to IBM led Hackathons, Bootcamps, Webinars and Faculty Development Programs

Dr. Ambedkar Institute of Technology Responsibilities
Under the proposed relationship, Dr. Ambedkar Institute of Technology intends to:

- Provide updates to IBM regarding research or curriculum development in strategic areas important to IBM, such as Artificial Intelligence, Blockchain, Cloud, and/or Quantum Computing.
- Invite qualified IBMer(s) to become a member of Department Advisory Committees or other opportunities for Industry feedback on campus.
- Subject to availability and the sole determination of Dr. Ambedkar Institute of Technology, provide space for IBM posters or displays on campus.

General terms

A. **Term and Termination.** This MOU commences from the date of execution for a period of one year and will guide the further discussions of the parties until the signing of a definative aggrement, if any. This MOU will guide the further discussions of the parties until the signing of a definitive agreement, if any. After such date, neither party shall have any further obligations to the other party pursuant to this MOU, except as expressly provided in this MOU. This MOU and the negotiation of a definitive agreement are terminable at will by either party. All discussions, proposals, term sheets, draft agreements and other similar materials will be null and void if discussions are terminated.

B. **Nonexclusive Relationship.** This MOU outlines a non-exclusive commercial relationship between IBM and Dr. Ambedkar Institute of Technology. Nothing contained in this MOU shall be deemed to be a restriction of any type on either party's ability to freely compete or to engage "partnering" relationships with other entities. Any decision by either party to forego, or engage in any other business opportunity or any other activity, to alter any business plan or direction, or to make any investment in anticipation of the consummation of any transaction contemplated by the parties, is at the sole discretion of the party electing to do so, and will not create any actual or potential liability or obligation for the other party, even if that party is aware of, or has been informed of or has indicated approval of any such action, decision or election unless agreed to otherwise in an agreement signed by both parties. In the event of termination of this MOU, neither party will be restricted because of these discussions and in any event each party is free to pursue a similar business relationship with others at any time.

C. **Preliminary Nature of Discussions.** During the parties' discussions, the parties will likely exchange written or oral proposals, term sheets (including without limitation the responsibilities' outline contained herein), draft agreements or other similar materials. Neither party may rely on, be bound by, or have any obligation under any such discussion, proposal, term sheet, draft agreement or other preliminary material, even if signed by one or both parties, except for a definitive written agreement signed by an authorized representative of each party that encompasses the subject matter of any such materials. In addition, the parties agree as follows:

1. The parties acknowledge and agree that the proposed business relationship between the parties and the execution of the definitive agreement by Dr. Ambedkar Institute of Technology and IBM is subject to all applicable legal and regulatory requirements and all necessary corporate and other approvals of the parties and their respective shareholders, members and/or partners.

2. Neither Dr. Ambedkar Institute of Technology nor IBM nor any of their respective shareholders, members, partners or affiliates will issue any release or other publicity concerning this MOU except with the prior written approval of the other party. The parties agree to cooperate with respect to any news release or other publicity regarding the foregoing.

3. This MOU shall be read and interpreted with all changes of gender or number required by the context according to the ordinary and usual meaning of words, but words with recognized technical or trade meanings shall be interpreted according to such recognized meanings.

4. The cost incurred by each party with respect to these discussions, and all subsequent negotiations of the proposed agreement, whether resulting in an agreement or not, and including without limitation legal and attorney, technical and research, financial and other advisory fees, will be borne solely by the party which incurred them.

D. **Export:** Dr. Ambedkar Institute of Technology acknowledges that the U.S. Export Administration Act of 1979, as amended, (and its implementing regulations, as amended) prohibit the export of technology, software and/or commodities to certain specified countries. Each party agrees to comply and to reasonably assist the other in complying with applicable government export and import laws and regulations. Further, each party agrees that unless authorized by applicable government license or otherwise permitted by regulation, including but not limited to U.S. authorization, both parties will not directly or indirectly export or reexport, at any time, any technology, software and/or commodities furnished or developed under this or any other, Agreement between the parties, or its direct product, to any prohibited country (including release of technology, software and/or commodities to nationals, wherever they may be located, of any prohibited country) as specified in applicable export, embargo, and sanctions regulations. This section will survive after termination or expiration of this Agreement and will remain in effect until fulfilled.

This MOU supersedes all prior proposals and discussions and is the complete and exclusive statement of the understanding between IBM and Dr. Ambedkar Institute of Technology as to the subject matter. This MOU cannot be modified except by a comprehensive writing signed by an authorized representative of each party that specifically amends this MOU. If this document adequately sets forth your understanding of our intentions, please indicate your agreement by signing below and return via email.

3 -day Workshop Report

Dr. Ambedkar Institute of Technology, Bengaluru is organising 3-day workshop on **"CLOUD COMPUTING, BLOCK CHAIN & CYBER SECURITY"** for MCA students in association with IBM India Pvt. Ltd. Under IBM academia Imitative from 17th -19th August, 2022.

Resource Persons:

Ms. Kamalakshi, Sr. DevOps engineer, Sustainability Software at IBM India Software Labs

More than 85 participants from MCA I & II year students have registered and participated to the workshop using Google Meet as video conferencing tool. HOD-MCA Dr. Chandrakanth G. Pujari welcomed Chief Convener Dr. Meenakshi M, Principal, Dr. AIT, Bengaluru and all the participants to the workshop.
Welcome by Dr. S. Bharathi
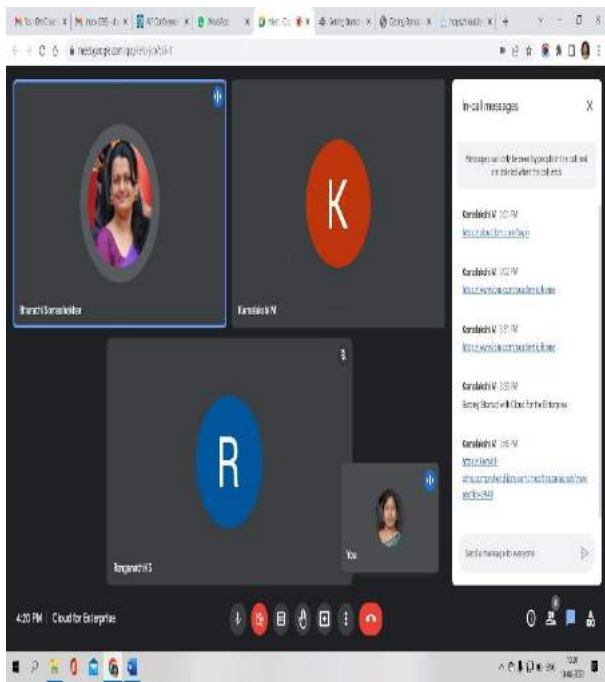

Ms. Kamalakshi-speaker
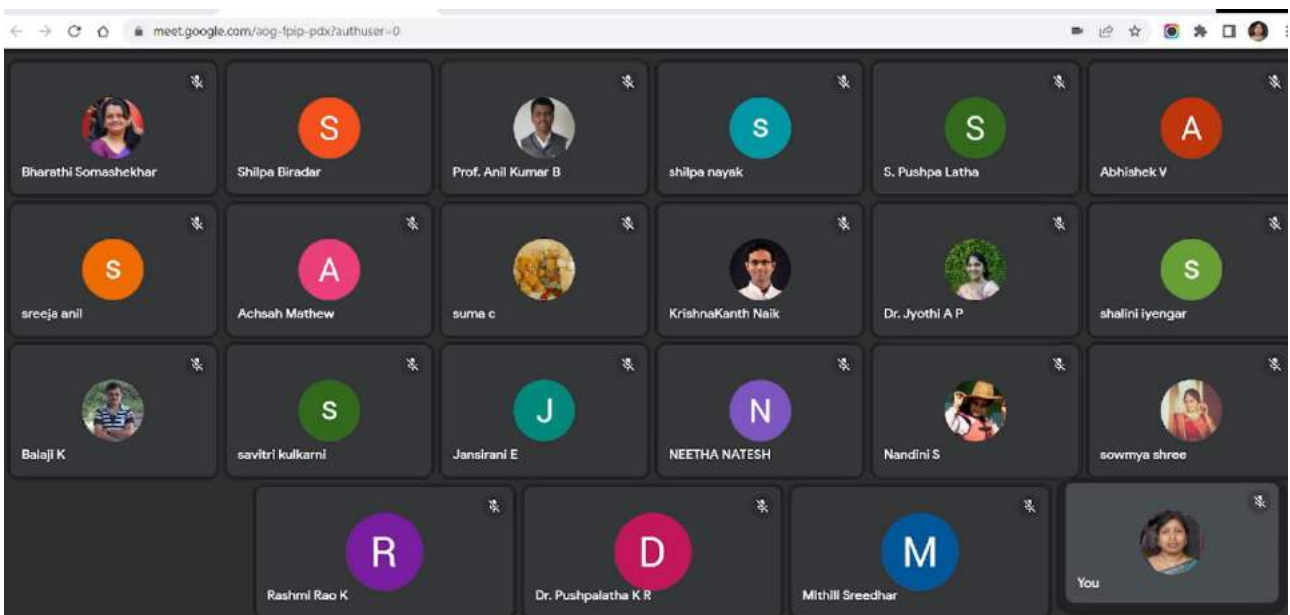

Participants attending the webinar

Day-1: Kamalakshi , Sr. DevOps engineer, Sustainability Software at IBM India Software Labs

Topics covered:

- ➢ IBM Cloud essentials
- ➢ Cloud overview
- ➢ Account setup
- ➢ Creating resources
- ➢ About badges
- ➢ Knowledge check

Day-2: Vani Mittal, Senior technical specialist, IBM Public Cloud

Topics Covered

- ➢ What is cyber security & its importance
- ➢ Cyber security framework
- ➢ Key areas of cyber security
- ➢ Data security & management

The session was concluded with question and answers followed by vote of thanks to the speaker, HOD-MCA, faculties, staff and students.

Coordinated by

MUTUAL NON-DISCLOSURE AGREEMENT

Other Party's Full Legal Name	Dr. Ambedkar Institute of Technology
Other Party's Address	Outer Ring Road, Near Jnana Bharathi Campus, Malla

This Mutual Confidentiality Agreement ("**Agreement**") is entered into and effective as of the last date of execution below (the "**Effective Date**") by and between **salesforce.com, inc.**, having its principal place of business at The Landmark @ One Market, Suite 300, San Francisco, California 94105 ("**SFDC**"), and the party named above.

Subject to the terms of this Agreement, the parties wish to disclose to each other Confidential Information (as defined below) related to the following "**Business Purpose**": evaluation of SFDC services and related discussions concerning potential business relationship.

1. **Definition of Confidential Information.** "**Confidential Information**" means all confidential information received by a party or any of its Affiliates, defined below, ("**Recipient**") from the other party or any of its Affiliates ("**Discloser**"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure including but not limited to, this Agreement and any negotiations, discussions or agreements entered into pursuant to this Agreement, discoveries, inventions, ideas, research, experimental work, concepts, know-how, processes, designs, specifications, drawings, sketches, blueprints, tracings, diagrams, models, samples, data, algorithms, computer programs, software source documents, financial information, business plans, sales plans, marketing plans, products, services, procurement requirements, customer information, pricing and any other proprietary or confidential technical, financial or commercial information. "**Affiliate**" means any entity which directly or indirectly controls, is controlled by, or is under common control with the subject entity. "**Control**" (as used in the preceding sentence) means direct or indirect ownership or control of more than 50% of the voting interests of the subject entity.

Confidential Information does not include information that: (i) is at the time of disclosure, or later becomes, part of the public domain through no fault of Recipient; (ii) is received by the Recipient from a third party without any obligation of confidentiality owed to the Discloser by the third party; or (iii) is already known to Recipient or at any time thereafter is developed independently by Recipient. If, regarding information under (ii), Recipient becomes aware at any time that the source was not entitled to disclose the information, then such information shall be deemed Confidential Information from that time forward.

2. **Non-Use and Nondisclosure Obligations.** Recipient shall not, in any way, use or disclose any Confidential Information of Discloser except as necessary in connection with the Business Purpose or with Discloser's prior written consent. Recipient shall not reverse engineer, disassemble or decompile any software or tangible objects embodying any Confidential Information of Discloser. Recipient shall not disclose or otherwise make available any Confidential Information of Discloser to anyone except those of its employees, attorneys, agents and consultants who need to know the Confidential Information in connection with the Business Purpose and who have previously agreed to be bound by confidentiality obligations no less stringent than those in this Agreement. Each party shall safeguard all Confidential Information of the other party with at least the same degree of care (but no less than reasonable care) as it uses to safeguard its own Confidential Information of like kind. Neither party shall disclose any information to the other party in violation of any confidentiality obligations to, or proprietary rights of, any third party. Recipient's obligations under this Agreement with respect to any Confidential Information shall remain in effect (a) in the case of Confidential Information which constitutes a trade secret within the meaning of applicable law, for as long as such Confidential Information remains a trade secret, or (b) for five (5) years from the date it first received such Confidential Information hereunder.

3. **Compelled Disclosure.** If Recipient is compelled by law to disclose Confidential Information of the Discloser, it shall provide the Discloser with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at Discloser's cost, if the Discloser wishes to contest the disclosure. Recipient shall use commercially reasonable efforts to limit any such disclosure, to the extent required and to obtain confidentiality protections to the extent reasonably practicable.

4. **Ownership of Confidential Information and Other Materials.** As between Discloser and Recipient, Discloser shall be the sole and exclusive owner of all of its Confidential Information and no license or other rights to the Confidential Information are granted or implied hereby. All tangible materials furnished to one party by the other shall remain the property of the party furnishing such materials and shall be returned to that party promptly upon its reasonable request, together with any copies thereof.

5. **No Warranty.** ALL CONFIDENTIAL INFORMATION IS PROVIDED "AS IS" AND WITHOUT ANY WARRANTY, EXPRESS, IMPLIED OR OTHERWISE, REGARDING ITS ACCURACY, COMPLETENESS OR PERFORMANCE.

6. **Term and Termination.** The term of this Agreement shall commence on the Effective Date and continue until this Agreement is terminated as provided in this Section. Either party may terminate this Agreement upon five (5) days' written notice of such

Agreement #«apts_agreement_ff_agreement_number»

termination to the other party. Notwithstanding the foregoing, all rights of a Recipient to use or disclose Confidential Information of Discloser shall automatically terminate upon any merger, stock acquisition, or corporate reorganization of Recipient, or sale of all or substantially all of Recipient's assets, where the surviving or controlling entity after the transaction is a direct competitor of the Discloser. Upon any termination of this Agreement and at the Discloser's written request, Recipient shall return to Discloser or destroy (at the option of Discloser) all tangible materials embodying Confidential Information of Discloser disclosed to Recipient pursuant to this Agreement. Recipient's obligations under Section 2 shall survive any termination for the period described in that Section.

7. **General Provisions.**

7.1 Waiver and Cumulative Remedies. No failure or delay by either party in exercising any right under this Agreement shall constitute a waiver of that right. Other than as expressly stated herein, the remedies herein are in addition to, and not exclusive of, any other remedies of a party at law or in equity.

7.2 Severability. Should any provision of this Agreement be held by a court to be unenforceable, such provision shall be modified by the court and interpreted so as to best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this Agreement shall remain in full force and effect.

7.3 Assignment. Neither party shall assign or transfer, by operation of law or otherwise, any rights or obligations under this Agreement without the prior written consent of the other party, except in connection with a merger, acquisition, corporate reorganization or sale of all or substantially all of its assets not involving a direct competitor of the other party.

7.4 Governing Law and Venue. This Agreement shall be governed exclusively by the internal laws of the State of California, without regard to its conflict of laws provisions. The state and federal courts located in San Francisco, California shall have exclusive jurisdiction to adjudicate any dispute relating to this Agreement. Each party consents to the jurisdiction of those courts.

7.5 Injunctive Relief. The parties acknowledge that a breach of any of the provisions contained in this Agreement may result in irreparable and continuing harm for which there will be no adequate remedy at law and that the non-breaching party shall be entitled to seek injunctive relief and/or a decree for specific performance, and such other relief as may be proper (including monetary damages if appropriate).

7.6 Export Control Laws. Each party shall comply with all United States and foreign export control laws or regulations applicable to its performance under this Agreement.

7.7 Entire Agreement and Construction. This Agreement constitutes the entire agreement between the parties as to its subject matter and supersedes all prior and contemporaneous agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any provision of this Agreement shall be effective unless in writing and signed by both parties. This Agreement does not supersede or amend any existing agreement between the parties for the purchase or use of either party's products or services.

7.8 Counterparts. This Agreement may be executed in counterparts which, taken together, shall form one legal instrument.

Acknowledged and Agreed:

Webinar Report

Dr. Ambedkar Institute of Technology, Bengaluru is organising one day webinar on **"Mulesoft Certified Integration Architect-MICA"** for Be/MCA students in association with Salesforceinc.com on Dec 8, 2022 from 10.00 a.m to 12.00 noon

Resource Persons:

Mr. Santhosh Rebello, University Program Manager-India, MuleSoft, a Salesforce company.
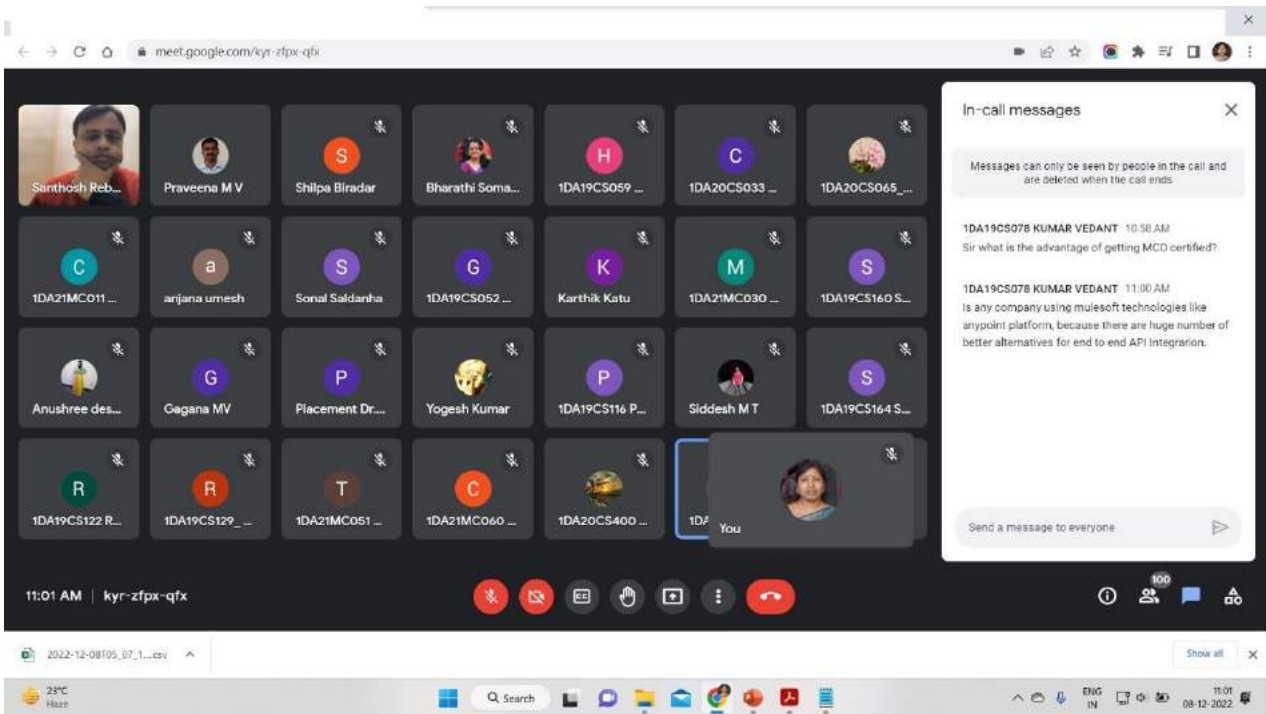

More than 145 participants from B.E (CSE, ISE), MCA I & II-year students have registered and participated to the workshop using Google Meet as video conferencing tool. HOD-MCA Dr. Chandrakanth G. Pujari welcomed Chief Convener Dr. Meenakshi M, Principal, Dr. AIT, Bengaluru and all the participants to the workshop.
Welcome by Dr. S. Bharathi

Mr. Santosh Rebello-speaker

Participants attending the webinar

Session started with introduction on Mulesoft certification courses offered by Salesforce. The key points discussed on certification :

A MuleSoft Certified Integration Architect should be able to drive and be responsible for an organization's Anypoint Platform implementation and the technical quality, governance (ensuring compliance), and operationalization of the integration solutions. The MCIA – Level 1 exam validates that an architect has the required knowledge and skills to work with technical and non-technical stakeholders to translate functional and non-functional requirements into integration interfaces and implementations.

Topics covered

- Create the high-level design of integration solutions and guide implementation teams on the choice of Mule components and patterns to use in the detailed design and implementation.

- Select the deployment approach and configuration of Anypoint Platform with any of the available deployment options (MuleSoft-hosted or customer-hosted control plane and runtime plane).

- Design Mule applications for any of the available deployment options of the Anypoint Platform runtime plane.

- Apply standard development methods covering the full development lifecycle (project preparation, analysis, design, development, testing, deployment, and support) to ensure solution quality.

The session was concluded with question and answers followed by vote of thanks to the speaker, HOD-MCA, faculties, staff and students.

Coordinated by
Dr. Bharathi. S, Professor
Mrs. B. R. Shobha Rani, Associate Professor

Master of Computer Applications
