Visa students must have a visa bearing the Newcastle University Sponsor Licence Number CKTK52NU0 in order to register at Newcastle University.

Payment of Tuition Fees

The fees for your course are given in the 'Terms and Conditions of Your Offer'.

You will see that you have been classified as an international student for fees purposes, according to the provisions of the relevant UK legislation. A summary of the definitions of Home and Overseas fee status is available on the UKCISA website at www.ukcisa.org.uk/Information--Advice/Fees-and-Money/Home-or-Overseas-fees-the-basics. If you do not agree with our assessment of your fee status you can email us at pgadmissions@ncl.ac.uk.

At least half of your tuition fees must be paid at Registration and the second half will be payable in January. If you are responsible for payment of any or all of your tuition fees, you can get a 2% discount if you pay your fees in full by the end of Registration week (for those starting their programmes of study in September). The discount applies to the proportion of fees you are personally responsible for. If you are being sponsored, you should provide proof of sponsorship at or before Registration.

If you are a self-funding graduate of the University you may be eligible for a 20% alumni reduction in the programme fee – see www.ncl.ac.uk/postgraduate/funding/sources/ourstudentsgraduates/atfd.html for more information. Further information about paying your tuition fees is available at <https://www.ncl.ac.uk/tuition-fees/payment/>

Please note that the University does not accept cash payments.
