 on behalf of NCB-GATE, for MoE

df0823ec8fa728de271be5cb0fa4cea1

* Normalized marks for CMI Engineering (CE) and Mechanical Engineering (ME) Papers

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

General Information

GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,
 M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard
 M_q is the qualifying marks for general category candidate in the paper
 M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
 S_q is 350, is the score assigned to M_q
 S_t is 900, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

GATE 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National

A49307B302DFFBBD071ECD178931FE3B

Instructions to the Candidate

A printed copy of this Admit Card must be presented for the verification along with at least one original (not photocopy or scanned copy) valid photo identification proof (For example: Passport, PAN Card, Voter ID, Aadhaar-UID, College ID, Employee ID, Driving License). The Admit Card is considered to be valid only if the photograph and signature are clear. To ensure this, print the admit card on an A4 sized paper using a laser printer, preferably a colour photo printer.

Candidates will be permitted to appear for the examination ONLY after verification of their credentials by the centre officials.

Candidates are advised to locate the examination centre at least a day before the examination, so as to ensure that they can reach the centre on time.

To facilitate the verification of their identity, candidates must report at the examination venue at least 60 minutes before the scheduled commencement of the examination.

Candidates will be permitted to occupy their seats 45 minutes before the scheduled start of the examination. Candidates can login and start reading the instructions 20 minutes before start of the examination.

CANDIDATE WILL NOT BE ALLOWED TO ENTER THE EXAMINATION HALL AFTER 10:00 HOURS (10:00 AM) FOR THE FORENOON SESSION.

Candidate will NOT be permitted to leave the examination hall before the end of the examination.

During the examination, a virtual scientific calculator will be available on the computer screen, which can be used for the numerical calculations.

Candidates should NOT bring any charts/tables/papers into the examination hall. Scribble pad will be provided for the rough work. Before using it, candidate must write his/her name and the registration number. At the end of the examination, this scribble pad must be returned to the invigilator.

Personal calculators, any kinds of watches, mobile phones or any other electronic/communication devices are STRICTLY PROHIBITED inside the examination hall. Note that the GATE authorities are not responsible for the safe keep of candidate's personal belongings.

During the examination, candidates may be checked for possession of any of the prohibited items. If the candidate is found to possess any of these items, he/she will be liable to be debarred from the examination and/or subjected to disciplinary action, which may include ban from appearing in future examinations.

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \bar{M}_{ij} was computed using the formula

$$\bar{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

\bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

\bar{M}_{ti} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

Instructions to the Candidate

1. A printed copy of this Admit Card must be presented for the verification along with at least one original (not photocopy or scanned copy) valid photo identification proof (For example: Passport, PAN Card, Voter ID, Aadhaar-UID, College ID, Employee ID, Driving License).
2. The Admit Card is considered to be valid only if the photograph and signature are clear. To ensure this, print the admit card on an A4 sized paper using a laser printer, preferably a colour photo printer.
3. Candidates will be permitted to appear for the examination ONLY after verification of their credentials by the centre officials.
4. Candidates are advised to locate the examination centre at least a day before the examination, so as to ensure that they can reach the centre on time.
5. To facilitate the verification of their identity, candidates must report at the examination venue at least 60 minutes before the scheduled commencement of the examination.
6. Candidates will be permitted to occupy their seats 45 minutes before the scheduled start of the examination. Candidates can login and start reading the instructions 20 minutes before start of the examination.
7. **CANDIDATE WILL NOT BE ALLOWED TO ENTER THE EXAMINATION HALL AFTER 15:00 HOURS (03:00 PM) FOR THE AFTERNOON SESSION.**
8. Candidate will NOT be permitted to leave the examination hall before the end of the examination.
9. During the examination, a virtual scientific calculator will be available on the computer screen, which can be used for the numerical calculations.
10. Candidates should NOT bring any charts/tables/papers into the examination hall. Scribble pad will be provided for the rough work. Before using it, candidate must write his/her name and the registration number. At the end of the examination, this scribble pad must be returned to the invigilator.
11. Personal calculators, any kinds of watches, mobile phones or any other electronic/communication devices are STRICTLY PROHIBITED inside the examination hall. Note that the GATE authorities are not responsible for the safe keep of candidate's personal belongings.
12. During the examination, candidates may be checked for possession of any of the prohibited items. If the candidate is found to possess any of these items, he/she will be liable to be debarred from the examination and/or subjected to disciplinary action, which may include ban from appearing in future

Prof. Nilesh J. Vasa

March 17, 2019

Organizing Chairman, GATE 2019
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_g + (S_t - S_g) \frac{(M - M_g)}{(M_t - M_g)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

M_g is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_g = 350$, is the score assigned to M_g ,

$S_t = 900$, is the score assigned to M_t ,

In the GATE 2019 score formula, M_t is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
