Bangalore - 560 056

NAAC CO-ORDINATORS:

MARY BHAGYA ANITHI, Asst Professor 

Dr. K. Hemant Kumar, Asst Professor 

About The Institution:

Dr. Ambedkar Institute of Technology, an autonomous institution, Aided by government of Karnataka, affiliated to VTU, Belagavi and approved by AICTE New Delhi was established in the year 1980 by Late Sri M.H. Jagaprakashnarayan under the auspices of Panchajanya Vidya Peetha Welfare Trust and nestled in the Garden city of Bengaluru. The college situated in a serene and sprawling campus spread across 23 acres with state-of-the-art academic infrastructure and amenities. Dr. AIT is committed to holistic development of students through emphasis on curricular, Co-curricular, Sports and cultural activities with centralized placement assistance. Dr. AIT believes in innovative pedagogies which are delivered through multifaceted and talented faculty members who have a blend of industry and academic exposure. The institution offers 10 UG, 10 PG programs and Doctoral programs in 15 disciplines. The institution is a recipient of funds under TEQIP, a World Bank sponsored Programme. The institution accredited by NAAC with 'A' grade and all eligible programs by NBA.

About Bengaluru:

Bangalore, officially called Bengaluru, is the capital of Karnataka. Green city of India It is the second fastest growing metropolis of India and also the fourth highest GDP contributor after cities like Mumbai, Delhi, and Chennai. Bangalore is popularly known as the 'Silicon Valley' of India for being a major IT hub of the nation. There are many notable institutions located in the city such as Defense Research and Development Organization (DRDO), Indian Space Research Organization (ISRO), Indian Institute of Science (IISc), IIT-B, IITM, Indian Institute of Plantation Management, Indian Institute of Management (IIMB), National Aeronautics Laboratory (NAL) and National Law School of Indian University (NLSIU). The city also has some glorious tourist hotspots like Vidhanasoudha, Bangalore Palace, Lalbagh, Bannerghatta National Park, Innovative Film City and Cubbon Park.

About the Department:

The Civil Engineering Department is one of the oldest departments, established in the year 1980. The Department offers BE degree course and M.Tech Degree course in structural Engineering. It has well established state of the art laboratories. The Department is

recognized as the research center by VITVeeraraja Technological University, Belgaum and has facilities to carry out research work. Department has 26 faculty with Ten doctorates and with experience of 30 years of rich teaching experience. Ten Research scholars are pursuing their PhD programs in the Department. The Department regularly organizes Conferences, Seminars, & Workshops. The Department is accredited by NBA & NAAC.

Call for Paper:

Authors are invited to submit abstracts related to the themes not exceeding 250 words in the prescribed format.

Format for Abstract & Full length paper:

Title of the paper in Times New Roman (MS Word-14 font, Bold with 1.5 line spacing). Author's Affiliation and Body of the Abstract: Times New Roman (MS Word-12 font, with 1.5 line spacing). Margins can be 1" from all sides. Email id for correspondence is nerticait@gmail.com

Important dates:

Submission Deadline	05-Mar-2019
Notification of Acceptance	15-Mar-2019
Camera Ready paper submission	18-Mar-2019
Registration deadline	Before 20-Mar-2019
Conference date	22-23 Mar-2019

Participants are requested to send their registration form duly filled along with the Cheque/DD/cash only in favor of "HOD CIVIL, Dr. AIT" Payable at Bengaluru or transfer registration fee through RTGS to HOD CIVIL a/e no. 04862010006910, IFSC:SYNB0000486.

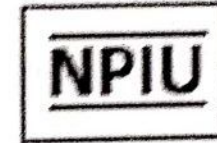

Registration Fee:

For Students UG/PG	Rs: 500/-
Faculty/Academicians	Rs: 1000/-
From Industries	Rs: 2000/-

Registration fee includes conference Kit, Lunch and High Tea.

Note: If the author intends to publish the paper in International Journal of Research in Engineering and Technology (IJRET) an additional amount of Rs 500/- is to be paid.

About the Conference:

The conference is all about the advances & trends in civil engineering and covers latest research & development in following fields of Civil Engg.

- Structural Engineering
- Construction Technology
- Geotechnical Engineering
- Water Resources Engineering
- Environmental Engineering for sustainable development
- Transportation Engineering
- Disaster mitigation & management
