### About the Institution

Dr. Ambedkar Institute of Technology is managed by Parashurama Vidya Peetha Welfare Trust (Begal). Dr. AIT was established in 1980 by Late Sri. M.H. Jayaprakash Narayan. He came from a very humble background and was a member of legislative assembly (M.L.A) for several terms. He fought relentlessly for the upliftment of the downtrodden. The Institution is founded on the ideals of the great Bhairappa Rasthri. Dr. B.R. Ambedkar, whose life was a saga of learning and uplifting the down-trodden of the society. Dr. AIT Institute was one among the 14 colleges selected for having received the World Bank assistance under TEQIP-II through Government of India.

The Institution was started with three AICTE approved undergraduate (UG) programmes in Departments of Civil Engineering, Mechanical Engineering and Electrical and Electronics Engineering (EEE). Later UG programmes in Electronics and Communication Engineering, Industrial Engineering and Management, Instrumentation Technology, Computer Science and Engineering, Telecommunication Engineering, Information Science and Engineering and Medical Electronics, were also inducted. In addition, the institution currently also holds 14 research centers recognized by Visvesvaraya Technological University (VTU), Belagavi.

The institution has been accredited by National Board of Accreditation (NBA), New Delhi. The Institution is aided by Government of Karnataka, approved by All India Council for Technical Education (AICTE), New Delhi and is affiliated to VTU, Belagavi.

The college was granted with Autonomous Status by UGC during 2007 and the college implemented the same during 2010-11 academic year. The institution is beneficiary of TEQIP-III World Bank fund. Dr. AIT is accredited by NAAC.

### Objectives of Workshop

The workshop is intended to introduce 'Data Analytics' to the participants and make them understand the fundamental concepts and the approach towards predictive model building. Participants will learn R programming language, which is widely used in the Analytics industry as a statistical analysis tool.

Workshop ensures that the theory and practice of these concepts go hand in hand throughout the course. Participants will be able to relate to the theory they learn, when they practice it during hands-on sessions.

So at the end of the course participants would have learned the concepts of data analytics along with the expertise in using a statistical analysis software which is R programming.

### Expected Outcomes

The participants will gain thorough understanding of the following:

- Basic BI and data analytics concepts
- Data Visualization
- Statistical analysis techniques such as Correlation, Clustering, Regression.
- Build predictive models and interpret results

Apart from this, participants will be proficient enough to do academic projects in this domain.

TEQIP-III Sponsored One Week Workshop

On

**"Data Analytics Using R"**

**16/4/2018- 21/4/2018**

**NPIU**

National Project Implementation Unit

Organized By

Department of Information Science  
and Engineering  
In Technical Association with

**Data Satva**

Bringing out the true essence of data

### Workshop Schedule

#### Day 1:

- Introduction to Data Science
- Data-Warehouse Concepts, Design and Data Integration
- Getting Started to R Programming
- Basic Building Blocks of R

#### Day 2:

- Coding with R
- Workspace and Files
- Functions in R

#### Day 3:

- Descriptive Statistics
- SQL package in R
- Business Intelligence
- Data Visualization using R

#### Day 4:

- Analytics using R
- Data Classification using R

#### Day 5:

- Guided Industry Case Study
- Assessment - Unguided Industry Case Study

**Note:** Participants need to carry their laptops.

### Chief Convener

**Dr. C. Nanjundaswamy**  
Principal, Dr. AIT, Bangalore

### Convener

**Dr. B.S.Shylaja**, Professor and HOD,  
Dept. of ISE, Dr. AIT

### Co-ordinators

**Dr. K.S. Nandini Prasad**  
Professor & Nodal Officer(Aca.), TEQIP-III,  
Dept. of ISE, Dr.AIT

**Mrs. Shilpa Biradar**  
Assistant Professor, Dept. of ISE, Dr.AIT

The workshop is free for TEQIP-III institutions and Rs.1000/- for other institutions. Selection of participants is on first come basis. The duly filled in registration form has to be submitted to:

**Dr. K.S. Nandini Prasad**  
Professor, Dept. of ISE, Dr.AIT

**Objectives of the workshop:**

- Understanding basic networking diagnostics and debugging tools. Inter process communication.
- Understanding authentication. Authentication with path and individual URLs etc.
- Understanding socket calls for client side and server side. Difference socket API flow between client side and server side
- Understanding HTTP Content delivery based on environment setup and support available

**About guest speakers:**

Dr. Ram P. Rustagi, working as Professor, CSE dept, KSIT Bangalore conducting tutorials at IEEE conferences as well as corporates. He is an invited contributor and writes regularly for the technical journal Advanced Computing and Communications

**Who can participate?**

- Faculties of Dr.AIT
- Faculties of other colleges

**Registration:**

- Number of Participants is limited to 40 and registration is based on first come first serve basis.
- Registration fee for Outside participants Rs.500/-

#### About the institution

Dr. Ambedkar Institute of Technology is managed by Panchajanya Vidya Peetha Welfare Trust (Regd). Dr AIT was established in 1980 by Late Sri. M.H. Jayaprakash Narayan. He came from a very humble background and was a member of legislative assembly (MLA) for several terms. He fought relentlessly for the upliftment of the downtrodden.

The Institution is founded on the ideals of the great Bharatha Rathna Dr. B.R Ambedkar, whose life was a saga of learning and uplifting the down trodden of the society. Dr. AIT is one among the 14 colleges selected for receiving the World Bank assistance under TEQIP-III through government of India. The Institution is accredited by National Assessment and Accreditation Council (NAAC).

#### About the department

The Department of Information Science & Engineering (ISE) was started in the year 1992. Present sanctioned intake for B.E is 60 and M.Tech is 24. Department of Information Science research centre registered under VTU guides various PG scholars in different emerging engineering technologies. The department is accredited by (National Board of Accreditation) NBA.

Dr. B S Shylaja heads the department. She has been enthusiastically guiding the department and encouraging departmental activities. The faculty at the department are highly qualified members, some having doctoral degrees and many are pursuing Ph.D in their area of specialization.

#### About GeeksLAB

Geekslab Technologies Pvt. Ltd., styled as GeeksLAB, was started by a group of entrepreneurs with a motive to provide IT services and solution as well as to spread awareness about latest technological trends amongst students all over the country. GeeksLAB is equipped with experienced and highly skilled professionals who have expertise on variety of tools and platforms. Having the best and experienced team of Technologists, Research Scholars and a strong support of advisors from the academics & industry it is poised to grow into a great and big successful business.

#### About the workshop

Increased Internet penetration has given exponential rise in sophisticated attacks on Information Technology (IT) infrastructure. Attackers are gaining access to sensitive information like credit card details and other financial information. Smartphone attacks are growing in multiple folds. Also with the growth of 3G services and business transactions using mobile phones, there is a substantial increase in mobile malware. In order to make IT infrastructure resilient against these threats, there is a need for cutting-edge Research and Development efforts in Cyber Security.

Cyber Security is becoming increasingly important in today's networked world and is impacting every aspect of society including finance, healthcare, government, education, arts and entertainment. The objective of this workshop is to teach the basic principles of cyber security and forensics from the perspective of providing security awareness and its best practices for the real world.

<b>Day 4:</b> 04/02/2021	<b>Session1:</b> Bayes Theorem and Bayesian Belief networks <b>Speaker:</b> Dr.Shankar B R, NITK	<b>Session2:</b> Logistic Regression <b>Speaker:</b> Dr. Udit Bhataia, IIT Gandhinagar	<b>Session3:</b> Neural Networks; Introduction to TensorFlow <b>Speaker:</b> Mr. Jayavardhana Gubbi and Mr. Raj Chaudhari, TCS
<b>Day 5:</b> 05/02/2021	<b>Session1:</b> Unsupervised learning <b>Speaker:</b> Mr. Venkat Reddy, Accenture	<b>Session2:</b> Introduction to Reinforcement learning <b>Speaker:</b> Dr.Nandini Prasad K S, Dr.AIT	<b>Valedictory</b>

**Note:** Honorarium for experts (Rs.3000 per session)

**Day 1: Feb.1, 2021**

Inauguration: By Dr.Nandini Prasad K S

Day1 Session 1 : Concept of Data Science,Why / When / What, Application in real scenarios

Speaker: Dr. Udit Bhataia, IIT Gandhinagar

AICTE ATAL FDP on Data Science and Day 1 Data Analytics with Hands on Experience

**Questions for Audience...**

- What is Data Science?
- Who should learn Data Science?

Udit Bhataia

10:42 / 4:33:27
