Internship for Mr. Sree Harsha Adibhatla

This is to state that Mr. Shreeharsha was an intern at "Microbiome Research Private Limited, 184 - 187, SV Road, Jogeshwari West, Mumbai - 400102, Maharashtra" for the period February 1 to July 30 2022.

During this period he has received theoretical discussions and guidance regarding the analysis of 16s rRNA sequencing data. These guidance and discussion sessions have involved the theory behind processing of Next generation sequencing data, and the utilization of tools including 'Mothur', 'Galaxy' and R packages such as 'Phyloseq'.

He has also had the opportunity during this period to attend several team presentations and perform data analysis for publicly available 16s rRNA datasets.
