## Department of Electrical and Electronics Engineering

### OBSERVATION REPORT

#### INTRODUCTION

The department of EEE collects feedback on curriculum aspects and courses from different stakeholders such as students, alumni, faculty, and employers. Once the feedback is analyzed and valuable suggestions given were considered and necessary actions were executed.

#### Table 1: Student's observation

Based on the student's observation the following points were noted.

Sl.No	OBSERVATION
1.	The curriculum may be revised including new topics like OOPS with C++. Flexibility in the new curriculum and the need for skill-oriented courses were suggested.
2.	Students suggested the need for training for facing interviews during campus selection. They also suggested providing career guidance and expert talks by the industrialists.
3.	Faculty-student interaction may be enhanced. Smart class programs may be made available.
4.	As extension activities are part of the curriculum, more activities suiting current needs were to be organized.

#### Table 2: Teachers' observation

The teacher's observation is very informative to better the existing situation.

Sl.No	OBSERVATION
1.	Teachers are appointed as a part of the curriculum development committee. Suggestions from all faculties regarding curriculum revision are considered. Inputs are taken for revision of the syllabus.
2.	A case study approach may be introduced. Group assignments and Group activities may be introduced.
3.	e-Waste recycling must be encouraged among the student community
4.	Refresher courses to enrich the learning experience of the faculty may be organized.
5.	Impact Journals may be listed. Access Journals can be made free.
6.	Research quality may be enhanced by collaborative research with other institutions.

## Dr. AMBEDKAR INSTITUTE OF TECHNOLOGY, BENGALURU-56

(An Autonomous Institution, Affiliated to Visvesvaraya Technological University, Belagavi, Accredited by NAAC with "A" Grade, Aided by Govt. of Karnataka, Affiliated to AICTE, New Delhi)

### Department of Electrical and Electronics Engineering

**Table 3: Parents' observation**

The feedback from parents

Sl.No	OBSERVATION
1.	Make the teaching more practical based and interesting.
2.	Focus more on research-based teaching. Learning strategies to expose the students to the latest developments in research.
3.	Practical Knowledge to be imparted will help them to face real-life situations.

**Table 4: Alumni observation**

The alumni appreciated the existing pattern of education, and they suggested giving more stress to research activities, capacity building, and skill training programs

Sl.No	OBSERVATION
1.	More emphasis should be on applications of the opted field of study. Focus more on the interdisciplinary activities of many courses.
2.	Focus more on practical aspects. Projects should be given more weightage as an evaluation component. Industrial experts must be invited to give guest lectures
3.	Capacity building programs to be organized.
4.	The training program may be encouraged to improve placement opportunities.

**Table 5: Employer observation**

Sl.No	OBSERVATION
1.	The recruiters from IT companies and other industries suggested that students need to be more participative and work with teams more effectively
2.	Students need to be aware of industry exposure
3.	Recruiters suggested that the students be strong in their aptitude skills, as it is the first level of the interview process

## Dr. AMBEDKAR INSTITUTE OF TECHNOLOGY
