Department of Computer Science and Engineering

Based on the feedback received from employers and students we have introduced industry oriented courses in the department of Computer Science and Engineering. We have collaborated with Capgemini India and TNS India to introduce industry oriented courses. This initiative is named as C2TC (Campus to Technical Careers). A course titled “Training via Cloud Infrastructure Services”, was introduced for 7th semester students as an Industry sponsored elective. Resource persons from industry are teaching this course on full time basis in the campus.
