Date: 17.02.2020

From
CONTROLLER OF EXAMINATIONS

To
Harini Vaikund.

Dear Sir / Madam,

I am directed to invite you to act as paper setter in Electrical Measurements & Instrumentation Code No
AA213 for the B.Tech Semester Examination and I request you to kindly set the
question papers.

Your appointment as paper setter should be kept **STRICTLY CONFIDENTIAL**.

You are requested to set **TWO** sets of question papers on the above mentioned course (preferably typed and figure if any, have to be neatly drawn with the help of black pen) and deliver them either in person or send them in a sealed envelope provided herewith by registered post / speed post / Professional Courier.

You are requested to note the following points while setting the question papers.

B.Tech question paper setting instructions:

- The set of question paper should consist of five Units I, II, III, IV & V. Each Unit will have two questions from their respective Unit of the syllabus and will carry 15 marks each. Each question must have **TWO** sub questions i.e., 1(a), 1(b) with breakup marks.
- Candidates are required to attempt one question from each unit in 3 hours.
- Mention clearly on the top of the question paper manuscript if student requires any data, data books etc, during examination.

General Instructions to the question paper setter:

- All the questions are unambiguous
- All the questions are asked for relevant marks
- Frame questions as per Blooms level of COs. Ensure that the questions cover the entire COs uniformly as far as possible.
- The paper setter shall not disclose his / her appointment and shall not make any correspondence on post cards regarding any matter connected with the examination.
- Paper setter shall submit his/her willingness / unwillingness to the authority within fifteen days from the date of the letter of appointment as paper setter.
- The pattern of question papers should conform to that of the model question paper enclosed. The distribution of marks should be the same as given in the model question paper. Keep the stipulated time, for the examination, in mind while setting the question papers.

INSTRUCTIONS TO PAPER SETTERS

- Set Two full Questions (with internal choice) from each unit and both the questions should cover the entire syllabus in full of that particular unit. Students have to answer all questions. (Refer Model / SEE Question paper)
- Questions shall strictly be from the prescribed books, covering the entire syllabus.
 - There shall be a maximum of four subdivisions in each question. Wherever applicable, there shall be a numerical problem in each question.
 - Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
 - Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q2(c) as Fig Q2(c) immediately adjacent to it.
 - Wherever problems are given, make sure you give all the relevant data from the data handbook to avoid the issue of Hand book / Tables / Charts etc..
- Scrupulously scrutinize the question paper for completeness (course, code, title and clarity), Missing data / figure / marks allocated / repetitions of entire questions or parts thereof & out of syllabus questions and read the question paper meticulously - seal it in appropriate cover enclosed, before sending.
 - Furnish the scheme & solutions in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
 - A question paper without "Scheme & Solutions" is liable for rejection.
 - Ensure that the Manuscript of the question paper along with Scheme and Solutions reaches the undersigned by Registered Post on or before the expiry of the dead line.
- Ensure that you personally destroy the rough draft & other materials you had prepared to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post with valid reasons for not accepting the assignment.

Thanking you

Greetings from Dr. N. G. P ASC!

We hope to find you and your family safe and healthy.

We are glad to inform you that you have been nominated as a Subject Expert by Bharathiar University for our Commerce with Cost Accounting board from 2020 - 21 onwards for a period of 3 years. We feel that your rich experience in the academic and research domain will help us to enrich our curriculum and the quality of the programme.

As per revised UGC regulations, we have planned to convene the BoS meeting twice in an academic year (May/Dec). You are requested to make it convenient to attend the meeting and offer your valuable suggestions and guidance for curriculum enrichment. The exact date will be communicated later. The necessary TA and DA will be paid as per our Institution norms.

Looking forward your association with Dr.NGPASC.

MCA DEPARTMENT PROFILE

The Master of Computer Applications program is accredited by National Board of Accreditation (NBA). This program was established in the year 1999 and is the first PG program started in Dr. Ambedkar Institute of Technology, which is affiliated to Visvesvaraya Technological University, Belagavi and Approved by All India Council for Technical Education(AICTE). Currently, this department is offering one PG program and one Ph.D. program in various specializations of Computer Applications. The MCA program received academic autonomy in the year 2016. There has been an increasing trend in the number of students getting placed in National and International IT companies and in top corporate bodies during the recent past. The faculty members are highly qualified and experienced with Doctorate degrees. The department is having five doctorate degree holders guiding 10 research scholars for their PhD degrees. The Department is equipped with state-of-the-art infrastructure and computing facilities with High speed Internet facility.

The Curricula and Syllabi of Master of Computer Applications (MCA) course offered by Dr.AIT is designed considering the need for different Software Houses in India and abroad and has a high job potential in IT Sector in India and abroad as per Outcome Based Education.

The Department is relentlessly striving to perceive and maintain academic excellence at the same time encourages the students to participate in various curricular, co-curricular and extra-curricular activities. A student friendly environment at Dr. AIT nurtures creativity, passion and leadership qualities among students for development of versatile personality & to become employable, creative thinkers in the country and in the world.

ABOUT FDP

A variety of tools can be used in the classroom to support student learning, ranging from traditional to high-tech options. A Learning Management System (LMS) is an online system or software used in e-learning programs and which helps in administration, documentation, tracking, and recording. This workshop covers Google's most popular tools – Google Groups, Google Classroom, Google Forms etc. are now staples for getting organized and getting work done. These collaborative friendly tools have revolutionized the way we communicate, work together, and store information online. Thus a teaching learning tools specifically helps to create, distribute, and manage the delivery of educational content for both students and faculty.
