

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

**Dr. Ambedkar Institute of Technology,
Bengaluru – 560056, Karnataka, India.**

&

**Edunet Foundation,
A-11- 1105, Arcadia South City 2, Gurgaon
122018, Haryana.**

FOR

**SKILL DEVELOPMENT, OUTCOME BASED TRAININGS,
INTERNSHIP, PLACEMENT, R&D SERVICES AND
RELATED SERVICES**

Memorandum of Understanding

This Memorandum of Understanding is entered on 29th April 2022 ("Effective Date") by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "**Edunet**"); and, Department of Computer Science and Engineering having its address Dr.Ambedkar Institute of Technology, Bengaluru – 560056, Karnataka, India. (hereinafter referred to as "**Institution**").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the IBM SkillsBuild (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	1980
Recognition, NAAC rating, ranking:	Government AIDED Institution, Autonomous Institution, NAAC A Grade
Vision:	To create Dynamic, Resourceful, Adept and Innovative Technical professionals to meet global challenges.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called "**MOU**") witnesses the following.

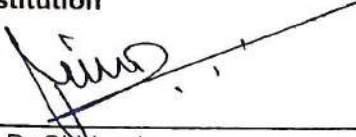

- 1. Term and termination:** This MOU is valid for an initial term of 1 year from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- 4. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- 5. Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year.

They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
 - d. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - e. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - f. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
 - g. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
 - h. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
 - i. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)
8. **Responsibilities of Institution:**
 - a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
 - b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
 - c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
 - d. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
 - e. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
 - f. **SIE chapter:** The Institute will support the SIE chapter, led by its students, to the extent possible.
 - g. **No fees:** Institute will not charge any extra fees from learners for participation in Edunet programs. Edunet will not charge any fees from the students/university for the program.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.

MUTUAL NON-DISCLOSURE AGREEMENT

Other Party's Full Legal Name	Dr. Ambedkar Institute of Technology
Other Party's Address	Outer Ring Road, Near Jnana Bharathi Campus, Malla

This Mutual Confidentiality Agreement ("**Agreement**") is entered into and effective as of the last date of execution below (the "**Effective Date**") by and between **salesforce.com, inc.**, having its principal place of business at The Landmark @ One Market, Suite 300, San Francisco, California 94105 ("**SFDC**"), and the party named above.

Subject to the terms of this Agreement, the parties wish to disclose to each other Confidential Information (as defined below) related to the following "**Business Purpose**": evaluation of SFDC services and related discussions concerning potential business relationship.

1. Definition of Confidential Information. "**Confidential Information**" means all confidential information received by a party or any of its Affiliates, defined below, ("**Recipient**") from the other party or any of its Affiliates ("**Discloser**"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure including but not limited to, this Agreement and any negotiations, discussions or agreements entered into pursuant to this Agreement, discoveries, inventions, ideas, research, experimental work, concepts, know-how, processes, designs, specifications, drawings, sketches, blueprints, tracings, diagrams, models, samples, data, algorithms, computer programs, software source documents, financial information, business plans, sales plans, marketing plans, products, services, procurement requirements, customer information, pricing and any other proprietary or confidential technical, financial or commercial information. "**Affiliate**" means any entity which directly or indirectly controls, is controlled by, or is under common control with the subject entity. "**Control**" (as used in the preceding sentence) means direct or indirect ownership or control of more than 50% of the voting interests of the subject entity.

Confidential Information does not include information that: (i) is at the time of disclosure, or later becomes, part of the public domain through no fault of Recipient; (ii) is received by the Recipient from a third party without any obligation of confidentiality owed to the Discloser by the third party; or (iii) is already known to Recipient or at any time thereafter is developed independently by Recipient. If, regarding information under (ii), Recipient becomes aware at any time that the source was not entitled to disclose the information, then such information shall be deemed Confidential Information from that time forward.

2. Non-Use and Nondisclosure Obligations. Recipient shall not, in any way, use or disclose any Confidential Information of Discloser except as necessary in connection with the Business Purpose or with Discloser's prior written consent. Recipient shall not reverse engineer, disassemble or decompile any software or tangible objects embodying any Confidential Information of Discloser. Recipient shall not disclose or otherwise make available any Confidential Information of Discloser to anyone except those of its employees, attorneys, agents and consultants who need to know the Confidential Information in connection with the Business Purpose and who have previously agreed to be bound by confidentiality obligations no less stringent than those in this Agreement. Each party shall safeguard all Confidential Information of the other party with at least the same degree of care (but no less than reasonable care) as it uses to safeguard its own Confidential Information of like kind. Neither party shall disclose any information to the other party in violation of any confidentiality obligations to, or proprietary rights of, any third party. Recipient's obligations under this Agreement with respect to any Confidential Information shall remain in effect (a) in the case of Confidential Information which constitutes a trade secret within the meaning of applicable law, for as long as such Confidential Information remains a trade secret, or (b) for five (5) years from the date it first received such Confidential Information hereunder.

3. Compelled Disclosure. If Recipient is compelled by law to disclose Confidential Information of the Discloser, it shall provide the Discloser with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at Discloser's cost, if the Discloser wishes to contest the disclosure. Recipient shall use commercially reasonable efforts to limit any such disclosure, to the extent required and to obtain confidentiality protections to the extent reasonably practicable.

4. Ownership of Confidential Information and Other Materials. As between Discloser and Recipient, Discloser shall be the sole and exclusive owner of all of its Confidential Information and no license or other rights to the Confidential Information are granted or implied hereby. All tangible materials furnished to one party by the other shall remain the property of the party furnishing such materials and shall be returned to that party promptly upon its reasonable request, together with any copies thereof.

5. No Warranty. ALL CONFIDENTIAL INFORMATION IS PROVIDED "AS IS" AND WITHOUT ANY WARRANTY, EXPRESS, IMPLIED OR OTHERWISE, REGARDING ITS ACCURACY, COMPLETENESS OR PERFORMANCE.

6. Term and Termination. The term of this Agreement shall commence on the Effective Date and continue until this Agreement is terminated as provided in this Section. Either party may terminate this Agreement upon five (5) days' written notice of such Agreement #«apts_agreement_ff_agreement_number»

termination to the other party. Notwithstanding the foregoing, all rights of a Recipient to use or disclose Confidential Information of Discloser shall automatically terminate upon any merger, stock acquisition, or corporate reorganization of Recipient, or sale of all or substantially all of Recipient's assets, where the surviving or controlling entity after the transaction is a direct competitor of the Discloser. Upon any termination of this Agreement and at the Discloser's written request, Recipient shall return to Discloser or destroy (at the option of Discloser) all tangible materials embodying Confidential Information of Discloser disclosed to Recipient pursuant to this Agreement. Recipient's obligations under Section 2 shall survive any termination for the period described in that Section.

7. General Provisions.

7.1 Waiver and Cumulative Remedies. No failure or delay by either party in exercising any right under this Agreement shall constitute a waiver of that right. Other than as expressly stated herein, the remedies herein are in addition to, and not exclusive of, any other remedies of a party at law or in equity.

7.2 Severability. Should any provision of this Agreement be held by a court to be unenforceable, such provision shall be modified by the court and interpreted so as to best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this Agreement shall remain in full force and effect.

7.3 Assignment. Neither party shall assign or transfer, by operation of law or otherwise, any rights or obligations under this Agreement without the prior written consent of the other party, except in connection with a merger, acquisition, corporate reorganization or sale of all or substantially all of its assets not involving a direct competitor of the other party.

7.4 Governing Law and Venue. This Agreement shall be governed exclusively by the internal laws of the State of California, without regard to its conflict of laws provisions. The state and federal courts located in San Francisco, California shall have exclusive jurisdiction to adjudicate any dispute relating to this Agreement. Each party consents to the jurisdiction of those courts.

7.5 Injunctive Relief. The parties acknowledge that a breach of any of the provisions contained in this Agreement may result in irreparable and continuing harm for which there will be no adequate remedy at law and that the non-breaching party shall be entitled to seek injunctive relief and/or a decree for specific performance, and such other relief as may be proper (including monetary damages if appropriate).

7.6 Export Control Laws. Each party shall comply with all United States and foreign export control laws or regulations applicable to its performance under this Agreement.

7.7 Entire Agreement and Construction. This Agreement constitutes the entire agreement between the parties as to its subject matter and supersedes all prior and contemporaneous agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any provision of this Agreement shall be effective unless in writing and signed by both parties. This Agreement does not supersede or amend any existing agreement between the parties for the purchase or use of either party's products or services.

7.8 Counterparts. This Agreement may be executed in counterparts which, taken together, shall form one legal instrument.

Acknowledged and Agreed:

IBM Memorandum of Understanding
IBM Global University Programs

Between Dr. Ambedkar Institute of Technology, Bengaluru and IBM

This is a Memorandum of Understanding (MOU) between International Business Machines Corporation ("IBM Corp") and Dr. Ambedkar Institute of Technology. The purpose of this MOU is to confirm the collaboration between Dr. Ambedkar Institute of Technology and IBM with respect to our intention to work together in the areas of skills, curriculum development, and research, subject to negotiation of a mutually acceptable definitive written agreement(s).

To ensure that the parties understand the nature and the purpose of these discussions so that no misunderstanding occurs, we wish to document the status of the parties' discussions as of this date and provide a framework for ongoing discussions. This MOU sets forth the intentions and understandings of the parties to facilitate our subsequent discussions and evaluations.

Objectives

Dr. Ambedkar Institute of Technology's academic and collaborative interests with this potential relationship are initially focused in the following areas:

- Artificial Intelligence
- Blockchain
- Quantum
- Cloud
- Cybersecurity
- Data Science
- Internet of Things
- Design Thinking

IBM's business interests specific to this potential relationship are initially focused in these areas:

- To build meaningful lasting relationships with universities around the globe,
- Aligned with IBM's Global Ecosystem spanning 170 countries,
- Focused on:
 - Research Innovation - IBM Research engages with strategic university relationships and collaborates on projects that will help fill the highest priority capability gaps.
 - Global Collaboration – IBM Global University Programs collaborates with a broader set of researchers aligned with strategic challenges, sharing state of the art ideas
 - Skills and Recruiting – IBM assists with courses and training resources for faculty, students and partners.
 - IBM University Awards – IBM Global University Programs sponsors various competitive awards for faculty and universities worldwide.

In engaging in such a relationship, Dr. Ambedkar Institute of Technology and IBM believe that each institution will benefit from expanded opportunities in the research, skills and curriculum development space. Dr. Ambedkar Institute of Technology and IBM intend to regularly review the status and progress of this potential relationship with respect to the following areas. These discussions are non-binding.

IBM Responsibilities

Under the proposed relationship, IBM intends to:

- Assist with skills development and curriculum improvements by making available select software, courseware, and other resources of the IBM Academic Initiative
- Provide faculty and students with the opportunity to explore educational resources, tutorials, and experiment with quantum devices through the IBM Q Experience.
- Make the Hyperledger Project using IBM Blockchain available to faculty and students - IBM has made nearly 44,000 lines of code available to the open source Hyperledger Project and is among more than 90 companies supporting the Hyperledger Project, a nonprofit organization openly-governed by the Linux Foundation dedicated advancing blockchain technology.

IBM Memorandum of Understanding
IBM Global University Programs

- Collaborate to deploy the IBM Skills Academy, including
 - Online learning resources
 - Cloud access for hands on labs
 - Curated content
 - New industry assets as technology changes
 - Digital Certificates
- Make available information about the IBM University Award Programs. As appropriate, IBM will work with Dr. Ambedkar Institute of Technology to submit joint applications for awards, subject to the selection procedures.
- Identify, if possible, volunteer IBM University Ambassadors interested in academic roles, including answering technology questions, providing guest lectures, mentoring students, or participate in projects.
- Invite the Dr. Ambedkar Institute of Technology to IBM led Hackathons, Bootcamps, Webinars and Faculty Development Programs

Dr. Ambedkar Institute of Technology Responsibilities

Under the proposed relationship, Dr. Ambedkar Institute of Technology intends to:

- Provide updates to IBM regarding research or curriculum development in strategic areas important to IBM, such as Artificial Intelligence, Blockchain, Cloud, and/or Quantum Computing.
- Invite qualified IBMer(s) to become a member of Department Advisory Committees or other opportunities for Industry feedback on campus.
- Subject to availability and the sole determination of Dr. Ambedkar Institute of Technology, provide space for IBM posters or displays on campus.

General terms

- A. Term and Termination.** This MOU commences from the date of execution for a period of one year and will guide the further discussions of the parties until the signing of a definitive agreement, if any. This MOU will guide the further discussions of the parties until the signing of a definitive agreement, if any. After such date, neither party shall have any further obligations to the other party pursuant to this MOU, except as expressly provided in this MOU. This MOU and the negotiation of a definitive agreement are terminable at will by either party. All discussions, proposals, term sheets, draft agreements and other similar materials will be null and void if discussions are terminated.
- B. Nonexclusive Relationship.** This MOU outlines a non-exclusive commercial relationship between IBM and Dr. Ambedkar Institute of Technology. Nothing contained in this MOU shall be deemed to be a restriction of any type on either party's ability to freely compete or to engage "partnering" relationships with other entities. Any decision by either party to forego, or engage in any other business opportunity or any other activity, to alter any business plan or direction, or to make any investment in anticipation of the consummation of any transaction contemplated by the parties, is at the sole discretion of the party electing to do so, and will not create any actual or potential liability or obligation for the other party, even if that party is aware of, or has been informed of or has indicated approval of any such action, decision or election unless agreed to otherwise in an agreement signed by both parties. In the event of termination of this MOU, neither party will be restricted because of these discussions and in any event each party is free to pursue a similar business relationship with others at any time.
- C. Preliminary Nature of Discussions.** During the parties' discussions, the parties will likely exchange written or oral proposals, term sheets (including without limitation the responsibilities' outline contained herein), draft agreements or other similar materials. Neither party may rely on, be bound by, or have any obligation under any such discussion, proposal, term sheet, draft agreement or other preliminary material, even if signed by one or both parties, except for a definitive written agreement signed by an authorized representative of each party that encompasses the subject matter of any such materials. In addition, the parties agree as follows:

IBM Memorandum of Understanding
IBM Global University Programs

1. The parties acknowledge and agree that the proposed business relationship between the parties and the execution of the definitive agreement by Dr. Ambedkar Institute of Technology and IBM is subject to all applicable legal and regulatory requirements and all necessary corporate and other approvals of the parties and their respective shareholders, members and/or partners.
2. Neither Dr. Ambedkar Institute of Technology nor IBM nor any of their respective shareholders, members, partners or affiliates will issue any release or other publicity concerning this MOU except with the prior written approval of the other party. The parties agree to cooperate with respect to any news release or other publicity regarding the foregoing.
3. This MOU shall be read and interpreted with all changes of gender or number required by the context according to the ordinary and usual meaning of words, but words with recognized technical or trade meanings shall be interpreted according to such recognized meanings.
4. The cost incurred by each party with respect to these discussions, and all subsequent negotiations of the proposed agreement, whether resulting in an agreement or not, and including without limitation legal and attorney, technical and research, financial and other advisory fees, will be borne solely by the party which incurred them.

D. Export: Dr. Ambedkar Institute of Technology acknowledges that the U.S. Export Administration Act of 1979, as amended, (and its implementing regulations, as amended) prohibit the export of technology, software and/or commodities to certain specified countries. Each party agrees to comply and to reasonably assist the other in complying with applicable government export and import laws and regulations. Further, each party agrees that unless authorized by applicable government license or otherwise permitted by regulation, including but not limited to U.S. authorization, both parties will not directly or indirectly export or reexport, at any time, any technology, software and/or commodities furnished or developed under this or any other, Agreement between the parties, or its direct product, to any prohibited country (including release of technology, software and/or commodities to nationals, wherever they may be located, of any prohibited country) as specified in applicable export, embargo, and sanctions regulations. This section will survive after termination or expiration of this Agreement and will remain in effect until fulfilled.

This MOU supersedes all prior proposals and discussions and is the complete and exclusive statement of the understanding between IBM and Dr. Ambedkar Institute of Technology as to the subject matter. This MOU cannot be modified except by a comprehensive writing signed by an authorized representative of each party that specifically amends this MOU. If this document adequately sets forth your understanding of our intentions, please indicate your agreement by signing below and return via email.
