A little update from the devo end of our roster out here in Belgium!

Yesterday, Gagan Reddy finished 18th place in the main bunch (after a break of about 7 went up the road), and Sreenath Lakshmikanth finished 24th (2 laps down), in the LWU A-grade Zilverberg #kermesse just outside of #Roselare.

An overload block coming up, with a couple of bunch hit-outs, some big days, and then a final two kermesses before they head back with recalibrated suffer meters and life experiences, as one does.
