About the Institution

Dr. Ambedkar Institute of Technology (Dr.AIT) is an autonomous Institution, Aided by Government of Karnataka, affiliated to VTU, Belagavi and approved by AICTE New Delhi was established in the year1980 by Late Sri. M.H. Jayaprakashnarayan under the auspices of Panchajanya VidyaPeeta Welfare Trust in Bengaluru. The college is situated in a serene and sprawling campus spread across 23 acres with state-of-the-art academic infrastructure and amenitiesIn our institute we are committed to holistic development of students through emphasis on curricular, Co-curricular, Sports and cultural activities with a centralized placement assistance. The college provides top notch learning experience to the students with practical studies and industrial exposure. Dr.AIT believes in innovative pedagogies which are delivered through multifaceted and talented faculty members who have a blend of industry and academic exposure. The institution offers 10 UG, 10 PG programs and Doctoral programs in 15 disciplines. The institution is recipient of funds under TEQIP, a World Bank sponsored Programme. The institution is accredited by NAAC with 'A' grade and all eligible programs are accredited by NBA.

An Autonomous Institution, Affiliated to VTU, Belgaum.
Aided by Govt. of Karnataka,
Near JnanaBharathi Campus, Mallathalli,
Bangalore - 560056

&

Institute of Engineering Technology

Dr. Rammanohar Lohia Avadh University Ayodhya, (U.P.)

Three Days Workshop

On

"Geo Spatial Technology (GST) and its Application"

28th – 30th August 2019

Organized by

Dept. of Computer Science & Eng.

Sponsored by

TEQIP-3

Technical Education Quality Improvement Programme

Venue

SeminarHall, C-326, Department of CSE

Course Contents

- Setting of Anaconda Integrated Development Environment (IDE) for Python Programming
- Linear and Multi Linear regression with case studies
- Data visualization in Python
- Discussion on real time projects

About the Resource Persons

Dr. Narendhra Adnoor, CEO, Data Talk Knowledge Solutions Pvt Ltd, has completed MS from Chicago University. He has rich experience in handling projects related to AI, ANN, ML and Networking. The other speakers are Mr. Nithin completed his MS from UK and Mr. Rajesh, completed MS from Delhi University. Both have vast experience in teaching and industry.

Registration Fee

No registration fee for the participants.

Certification

Certificate of Participation from the Department of Computer Science and Engineering will be issued. Attendance is mandatory for all sessions on all days

Objective of Workshop :

The laboratory technical staff should be able to help the students and assist the faculty during the lab sessions. The main objective of this staff development programme is to make the technical staff conversant with the most popular academic softwares MATLAB & Keil. By the end of the programme the participants would have gained sufficient confidence and skill to handle the above tools.

Contents

MATLAB
·Introduction to MATLAB
·Basic Programs
·Programs on Image Processing

Keil Software

·Introduction to Microcontroller 8051
·Proficiency in Keil Software
·Familiarisation of Software programming and Interface Programming

PARTICIPANTS: Technical staff

About the Institution

Dr.Ambedkar Institute of Technology (Dr.AIT) is managed by Panchajanya Vidya Peeta Welfare Trust. The trust is managing a number of educational institutions in Bangalore. Dr. AIT was established in 1980 by Late Sri.M.H. Jayaprakash Narayan. He believed that education is the main path for the emancipation of the oppressed classes & started a number of educational institutions in Bangalore.

The institute is located on the outer ring road, near Jnanabharathi Campus, Mallathalli, Bangalore on vast 20.3 acres of land . The College offers various UG & PG programs along with MCA & MBA respectively.

Our institute is the continued beneficiary of TEQIP-III. The institute is ranked A Grade by the NAAC and most of the UG & PG programmes are NBA accredited. The institute is the recipient of several grants sanctioned by AICTE, DST and VTU. The institute is granted autonomous status by UGC W.e.f. 2010-11

Vision

"To create Dynamic, Resourceful, Adept and Innovative Technical professionals to meet global challenges."

About the Department

The department was established in the year 1999. All the faculty & staff are well qualified and highly experienced. The department has MoU with Medical Devices Industries and Medical colleges.

Vision

To be a part of the fast changing medical devices industry in India and help India to raise to the status of global leader in health care.

Mission

To promote education and research that blends engineering and medicine.

To nurture and motivate young generation to innovate and to realize an affordable technology for the larger Indian population.
