Cultivation of Mind should be the Ultimate Aim of Human Existence

Dr. B. R. Ambedkar

About Webinar

We know the adage "Time changes and we with time!" and in the similar vein we would like to say that the COVID-19 Pandemic is driving an essential change in our education system and this is not just another change - it is a tectonic change! Our education system must embrace the change for sustainability through efficient utilization of technology and new methods of educating our millennials. As COVID-19 has challenged our existence, we are standing up to the challenge through new approaches and mindset changes. For instance, we see organizations, employees, parents, students etc., have changed the notion of not being productive or not being able to learn from home or work from home. This is a notion of the bygone era.

It is critical to learn from COVID-19 experiences and be up to bigger changes as COVID-19 or the current lockdown may not be the last one we see - there could be new viruses / strains and more lockdowns. Just the way we talk about AD and BC (CE) in chronology of date or timelines, the world will start talking about Pre-COVID-19 and Post-COVID-19 era very soon. We are talking about change and the change we are talking about seldom happens overnight. We must acknowledge the global impact of the COVID-19 and work towards it in a constructive manner. This is so much more applicable to our education domain as we shape the future of the World; we live in by imparting quality education with ever-changing approaches and trends. Value creation is playing a key role in our sustainability during COVID-19 pandemic. We have effectively utilized many digital tools and technologies such as Artificial Intelligence (AI) and mobile phones for tracing primarily infected patients and their contacts. To better prepare for world's future challenges, we need to develop ground-breaking innovative solutions in the fields of Healthcare, Education, Supply Chain and Agriculture.

Objectives:

1. To discuss new Post - COVID-19 researches to be carried out by breaking away from traditional approaches.
2. To discuss how we can ensure our continued efforts can bring great results that are pandemic-proof in the area of Education and Technology.

"Purpose of Education is to Moralize and Socialze the people"
Dr. B. R. Amedkar

About the Webinar

The COVID-19 Pandemic has significantly disrupted the Technical Education across the world. It has also posed serious challenges to the existing system of Technical Education in India. The pandemic has challenged our existence and we are standing up to the challenge through new approaches and mindset changes. For instance, we see organizations, employees, parents, students, etc., have changed the notion of not being productive or not being able to learn from home or "work from home". This is a notion of the bygone era.

The COVID-19 pandemic has no doubt reshaped the way many of us approach pedagogy. Online and blended learning approaches have been adopted by several education institutions in developed countries. The current situation should be seized as an opportunity to develop new techniques to impart an education that would be user-friendly and accessible to all.

Can these challenges be mitigated? Are reforms possible? Will reforms be effective? Are Education and Government Institutions willing to invest adequate resources? Can blended learning ever be a global solution? Will institutions revert to the models of Education that were implemented during pre-COVID era?

Objectives:

1. Paradigm shift in Teaching-Learning ahead.
2. How to discover the right blends between online and offline methods of Education.
3. Outcome-Based Education: the bigger need today.
4. Mitigating the psychological impact of COVID pandemic on Learners.
5. Education sector is undergoing a tectonic shift towards distance learning.

Dr.AMBEDKAR INSTITUTE OF TECHNOLOGY

DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

The Enclosed documents are verified and approved

HOD,ISE

HEAD
Dept. of Information Science & Engg.
Dr. Ambedkar Institute of Technology
Bangalore-560 056.

About the Institute:

Dr. Ambedkar Institute of Technology (Dr.AIT) is managed by Panchajanya Vidya Peetha Welfare Trust (Regd.). Dr. AIT was established in 1980 by Late Sri. M.H. Jayaprakash Narayan. He came from a very humble background and was a member of legislative assembly (MLA) for several terms. He fought relentlessly for the upliftment of the downtrodden. The Institution is founded on the ideals of the great Bharatha Rathna Dr. B.R. Ambedkar, whose life was a saga of learning and uplifting the down trodden of the society.

The Institution is aided by Government of Karnataka, approved by All India Council for Technical Education (AICTE), New Delhi and is affiliated to VTU, Belagavi.

The institution currently has 10 Engineering departments and 14 research centers are recognized by Visvesvaraya Technological University (VTU), Belagavi.

The Institute is selected for receiving the World Bank Assistance under Technical Education Quality Improvement Programme (TEQIP) phase-I, phase-II and also phase-III through Government of India. Majority of the departments are accredited by NBA.

Dr.AIT is accredited by NAAC with A-grade.

AICTE Training and Learning (ATAL) sponsored One Week FDP (Online) on "Data Science and Data Analytics" with Hands-On Experience organised by department of Information Science and Engineering,Dr.AIT from 01/02/2021 to 05/02/2021:

Schedule:

AICTE Training and Learning (ATAL) Sponsored

One Week FDP (Online) on
"Data Science and Data Analytics" with Hands-On Experience

01/02/2021- 05/02/2021

	9.30-11.00	11.00-12.30	12.30-2.00
Day1: 01/02/2021	**Session1:** Concept of Data Science,Why / When / What, Application in real scenarios **Speaker:** Dr. Udit Bhataia, IIT Gandhinagar	**Session2:** Mathematical Foundations for Data Science: Linear Algebra, Statistics, Probability **Speaker:** Dr.Shankar B R, NITK	**Session3:** Introduction to Python: Basics of Python, Toolkits using Python, Visualizing Data, Working with data; Introduction to Colab **Speaker:** Dr. Nipun Batra, IIT Gandhinagar
Day 2: 02/02/2021	**Session1:**Types of learning : Supervised, Unsupervised, Semi-supervised **Speaker:** Mr. Venkat Reddy, Accenture	**Session2:**Classification and Regression algorithms: Decision Trees **Speaker:** Dr.Tarun Rao, Accenture	**Session3:** Bias, Variance, Cross-validation, Confusion Matrix **Speaker:** Mr. Daevesh Kumar Singh, IIT Bombay
Day 3: 03/02/2021	**Session1:** Linear Regression **Speaker:**Dr.Chandresh Kumar, IIT Indore	**Session2:** k-nearest neighbour **Speaker:** Dr. Nipun Batra, IIT Gandhinagar	**Session3:** Health and happiness **Speaker:** Ms. Sugandh, Art of Living
Day 4: 04/02/2021	**Session1:**Bayes Theorem and Bayesian Belief networks **Speaker:** Dr.Shankar B R, NITK	**Session2:** Logistic Regression **Speaker:** Dr. Udit Bhataia, IIT Gandhinagar	**Session3:** Neural Networks; Introduction to TensorFlow **Speaker:** Mr. Jayavardhana Gubbi and Mr. Raj Chaudhari, TCS
Day 5: 05/02/2021	**Session1:** Unsupervised learning **Speaker:** Mr. Venkat Reddy, Accenture	**Session2:** Introduction to Reinforcement learning **Speaker:** Dr.Nandini Prasad K S, Dr.AIT	**Valedictory**

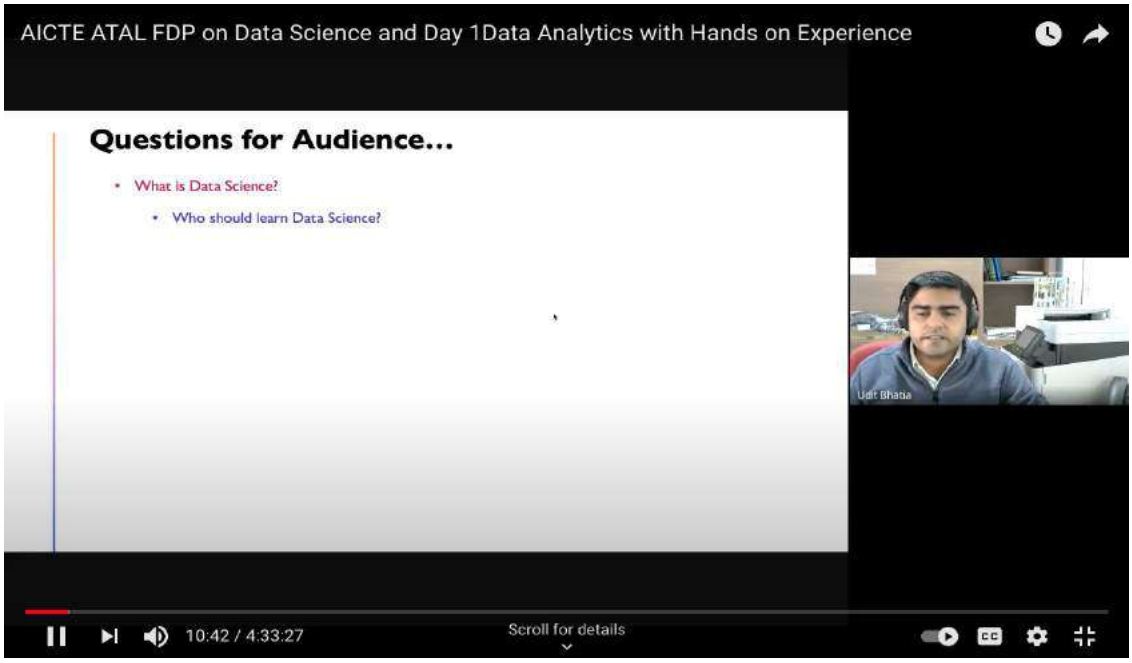
Note: **Honorarium for experts (Rs.3000 per session)**

Day 1: Feb.1, 2021

Inauguration: By Dr.Nandini Prasad K S

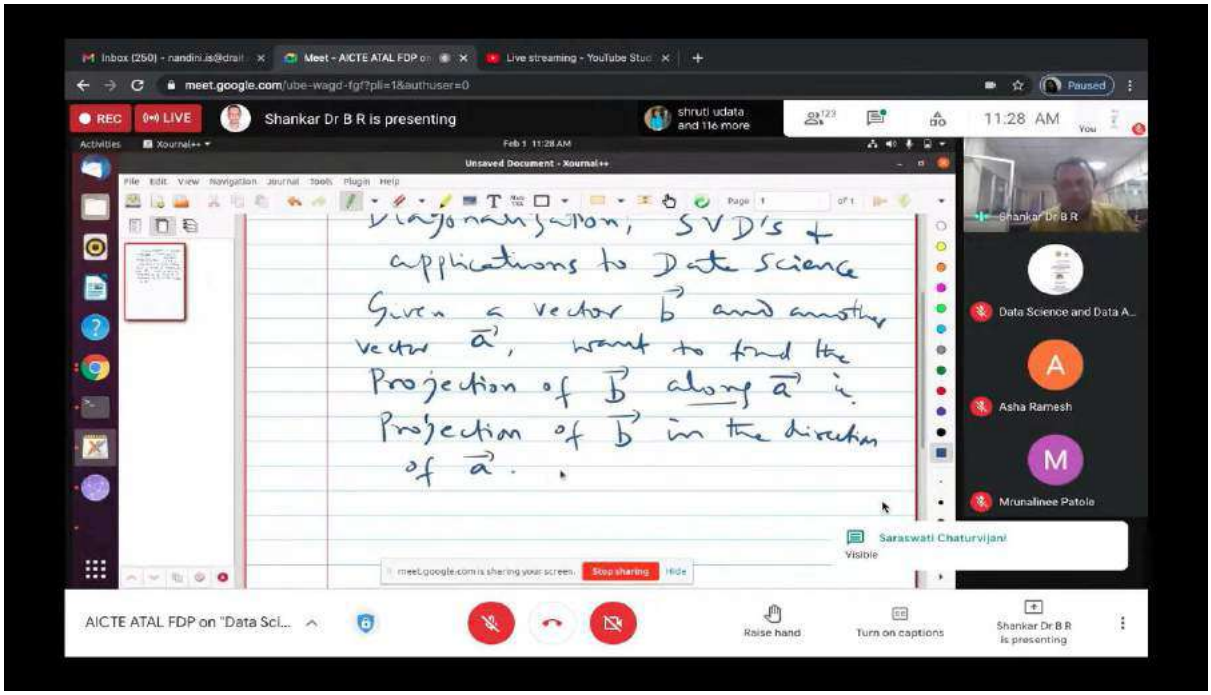
Day1 Session 1 : Concept of Data Science,Why / When / What, Application in real scenarios

Speaker: Dr. Udit Bhataia, IIT Gandhinagar



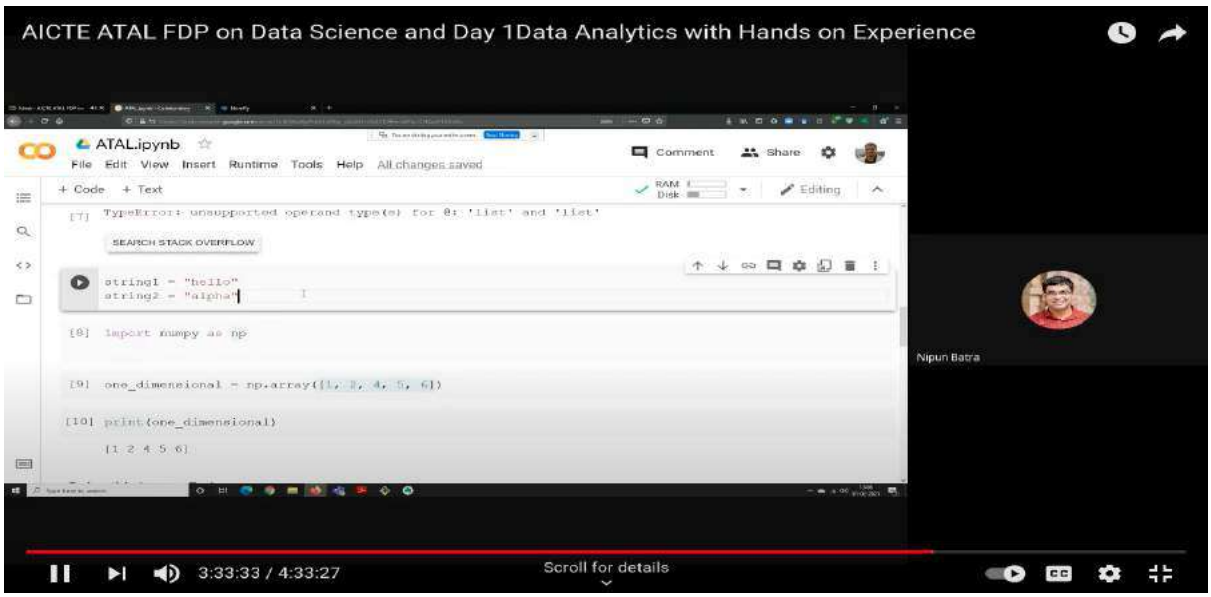
Day1 Session 2 : Mathematical Foundations for Data Science: Linear Algebra, Statistics, Probability

Speaker: Dr.Shankar B R, NITK



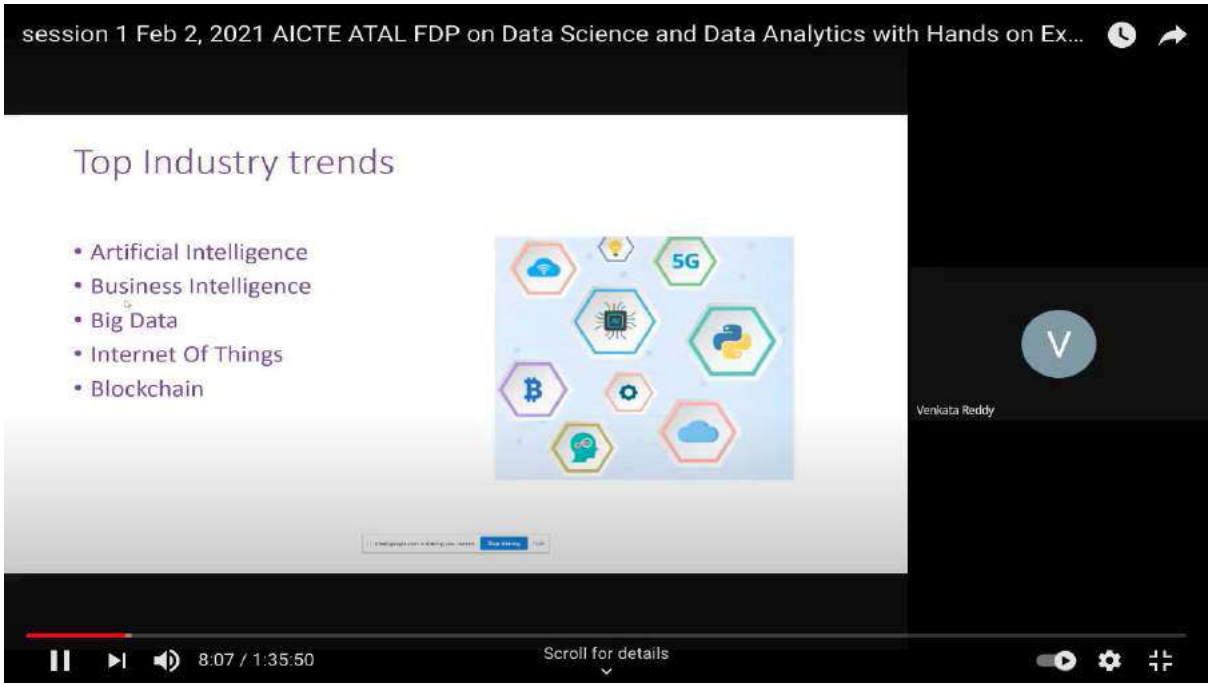
Day1 Session 3 : Introduction to Python: Basics of Python, Toolkits using Python, Visualizing Data, Working with data; Introduction to Colab

Speaker: Dr. Nipun Batra, IIT Gandhinagar



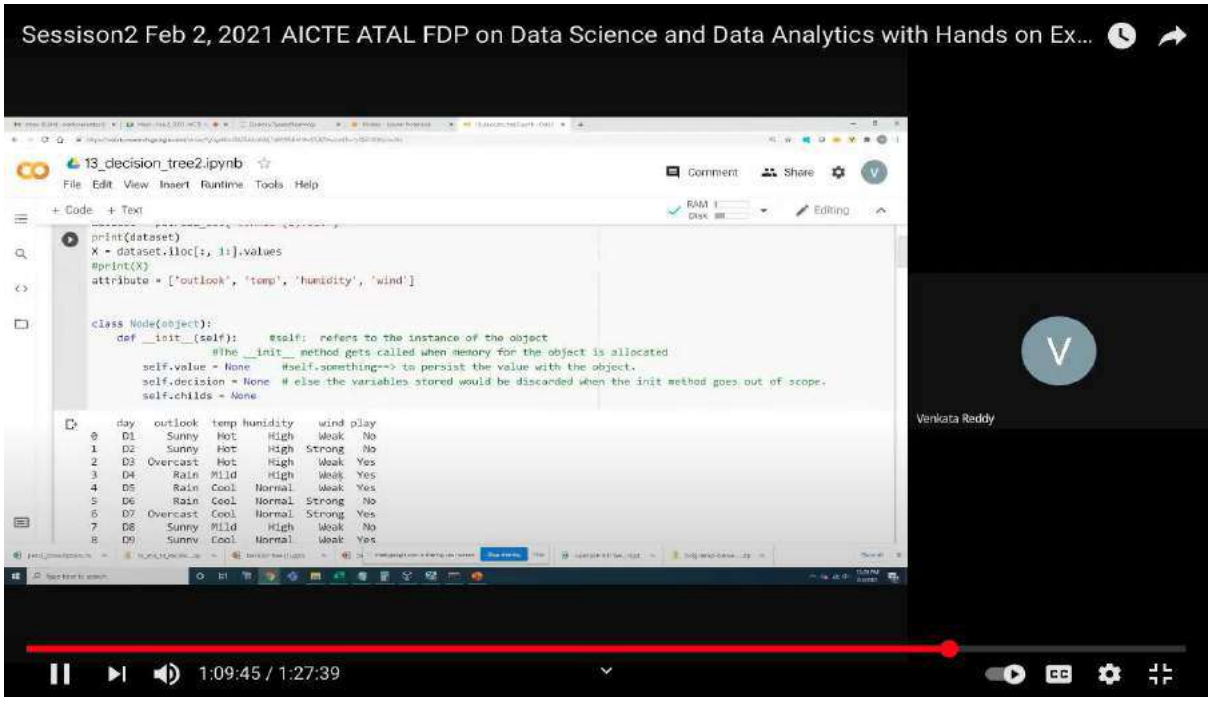
Day2 Session 1 : Types of learning : Supervised, Unsupervised, Semi-supervised

Speaker: Mr. Venkat Reddy, Accenture



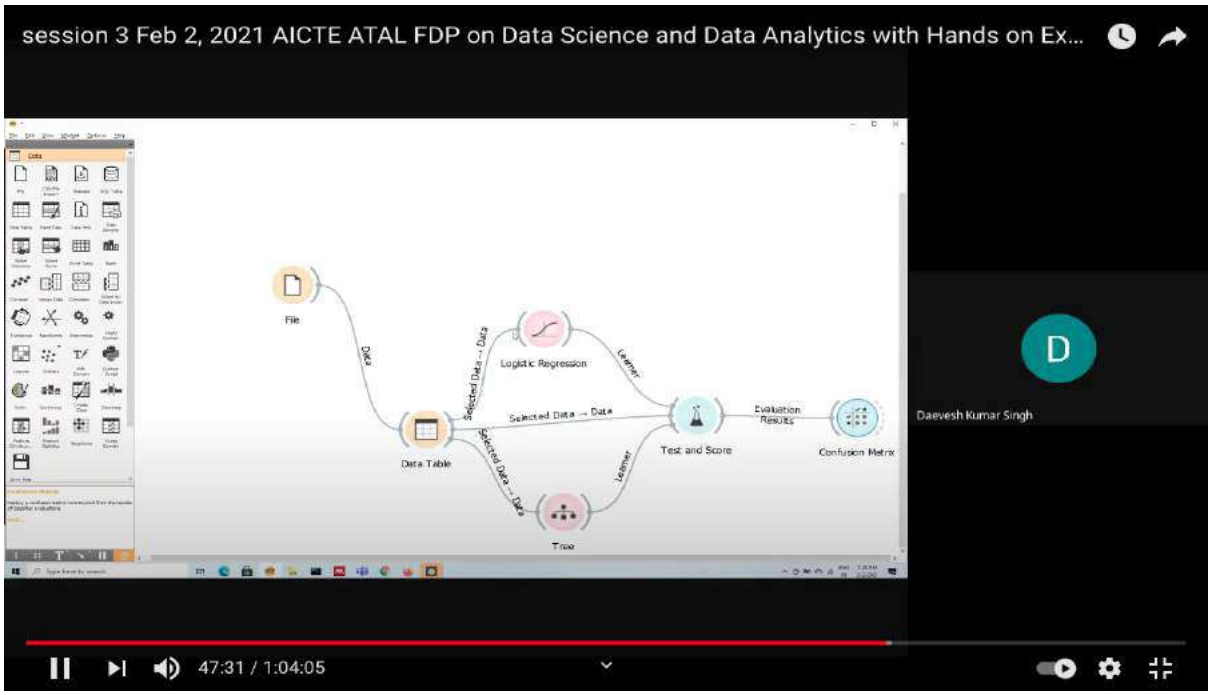
Day2 Session 2 : Classification and Regression algorithms: Decision Trees

Speaker: Mr. Venkat Reddy, Accenture



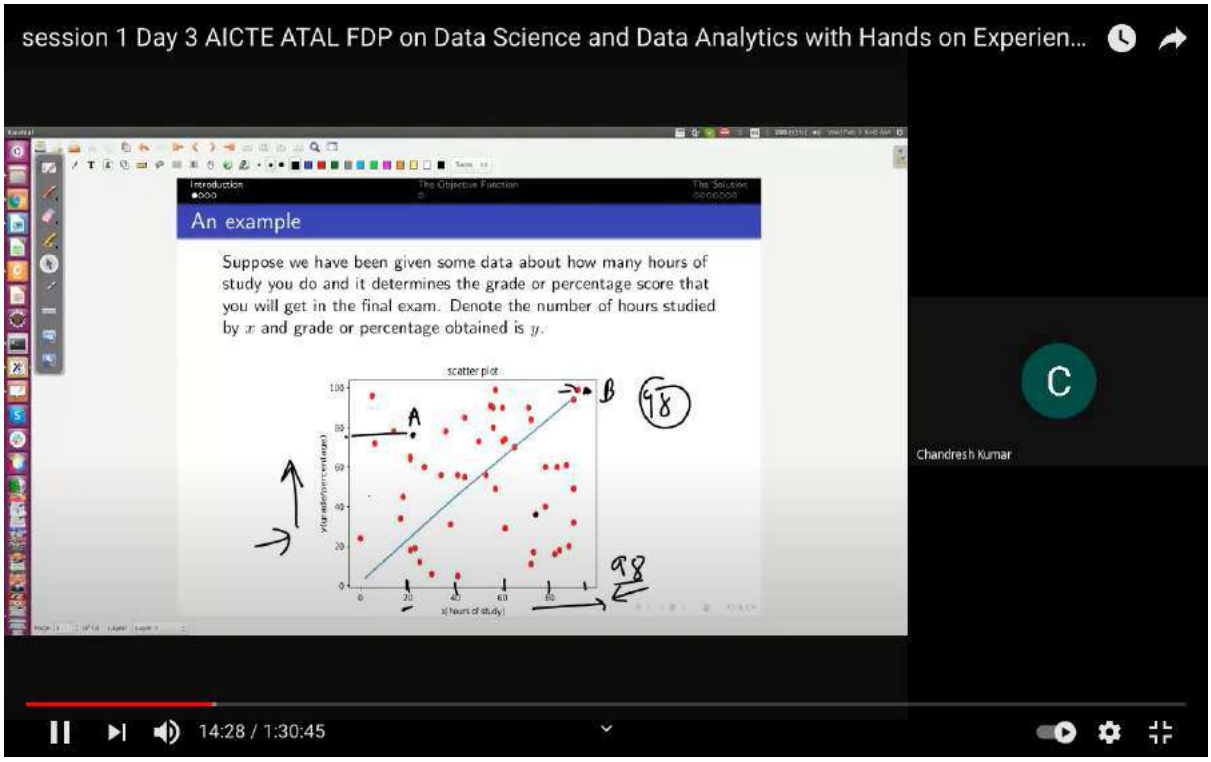
Day2 Session 3 : Bias, Variance, Cross validation, Confusion Matrix

Speaker: Mr. Daevesh Kumar Singh, IIT Bombay



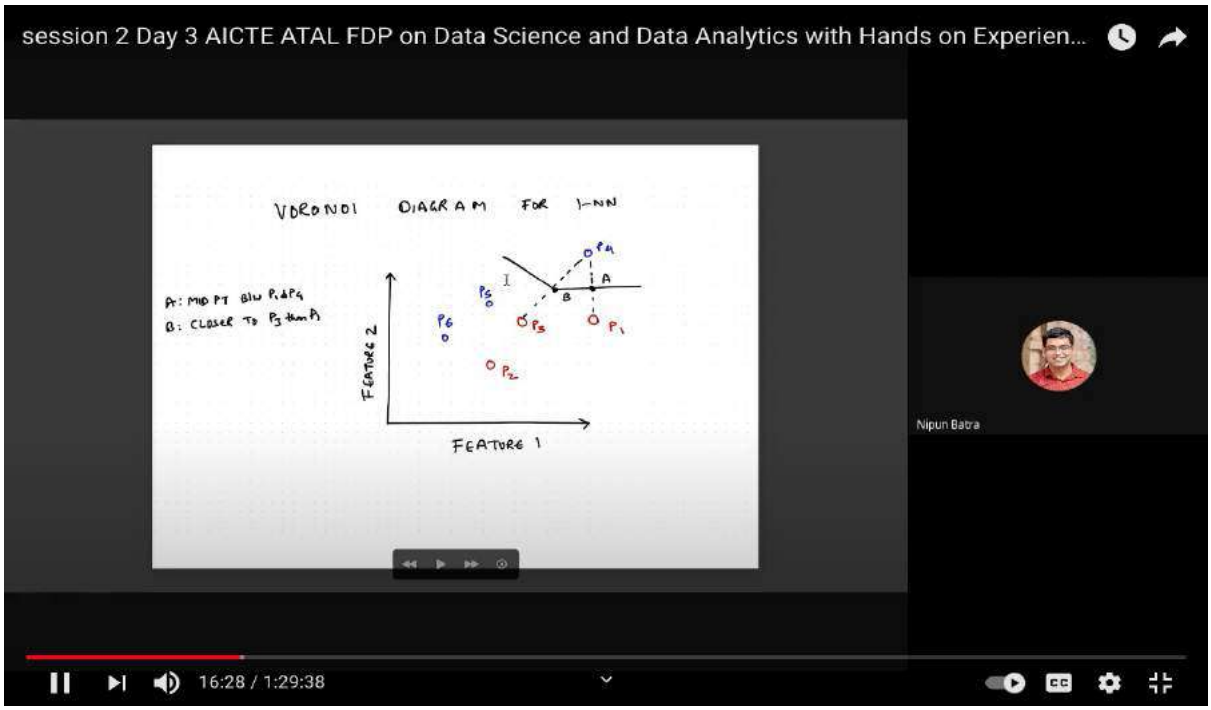
Day3 Session 1 : Linear Regression

Speaker: Dr.Chandresh Kumar, IIT Indore



Day3 Session 2 : k-nearest neighbour

Speaker: Dr. Nipun Batra, IIT Gandhinagar

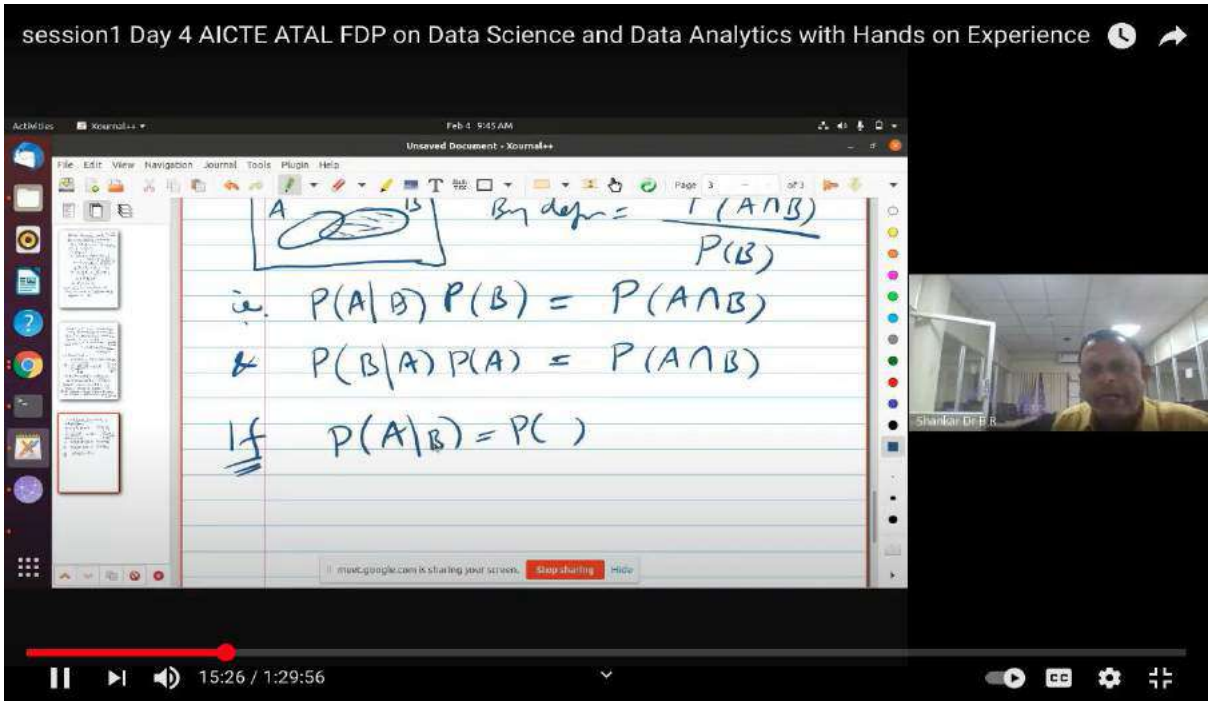


Day3 Session 3 : Health and happiness

Speaker: Ms. Sugandh, Art of Living

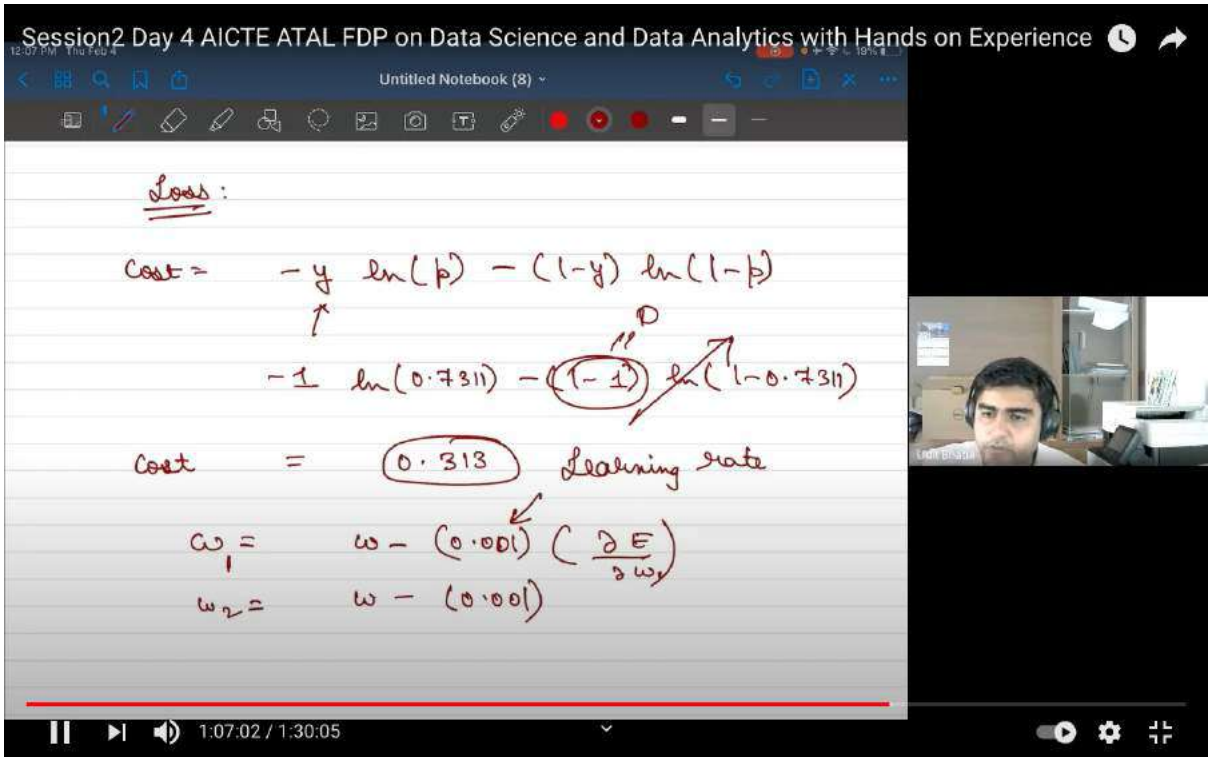
Day4 Session 1 : Bayes Theorem and Bayesian Belief networks

Speaker: Dr.Shankar B R, NITK



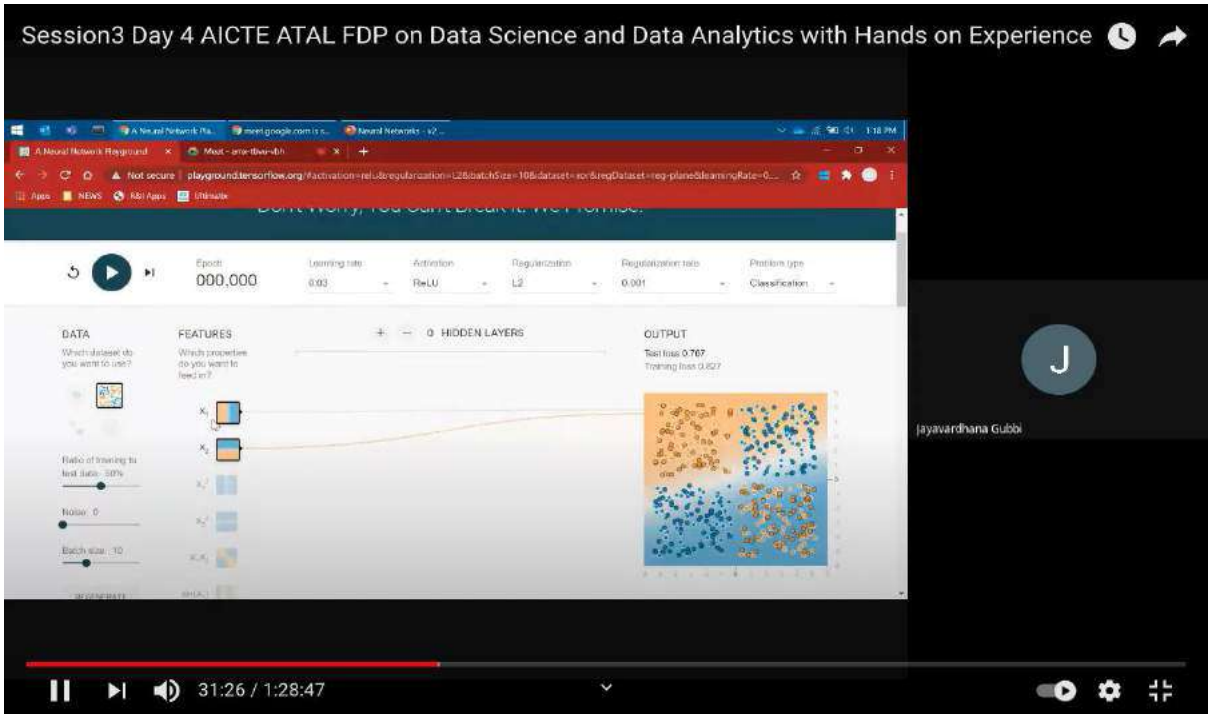
Day4 Session 2 : Logistic Regression

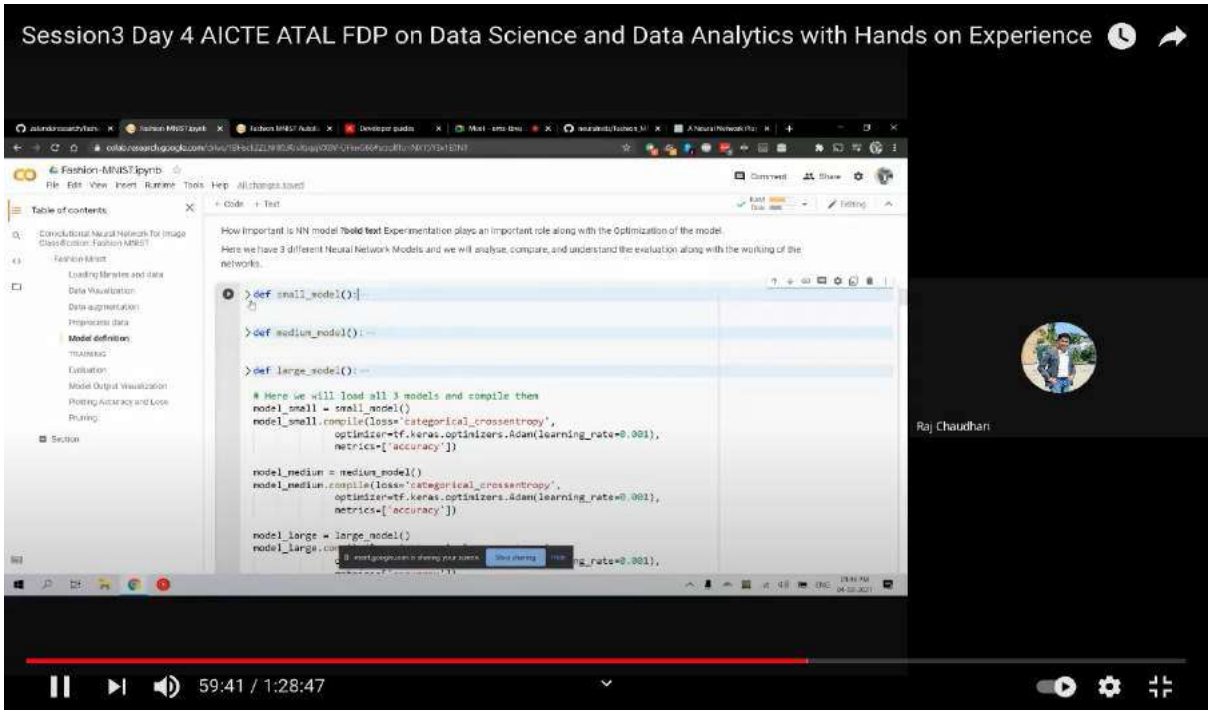
Speaker: Dr. Udit Bhataia, IIT Gandhinagar



Day4 Session 3 : Neural Networks; Introduction to TensorFlow

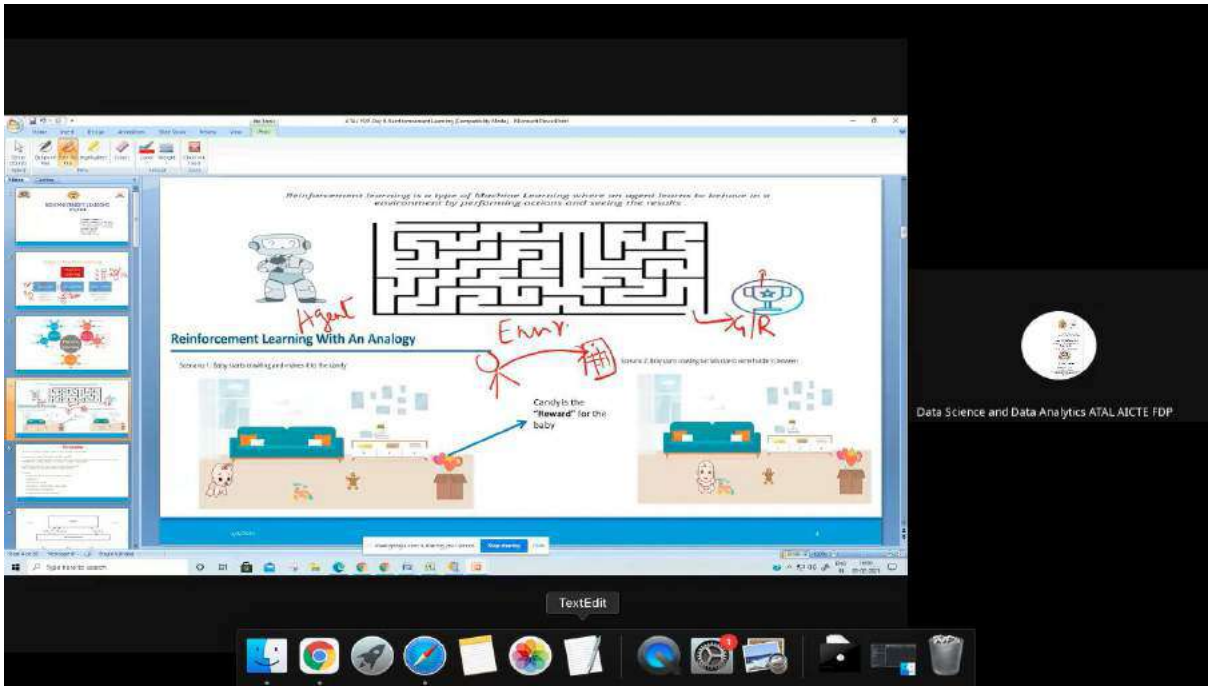
Speaker: Mr. Jayavardhana Gubbi and Mr. Raj Chaudhari, TCS





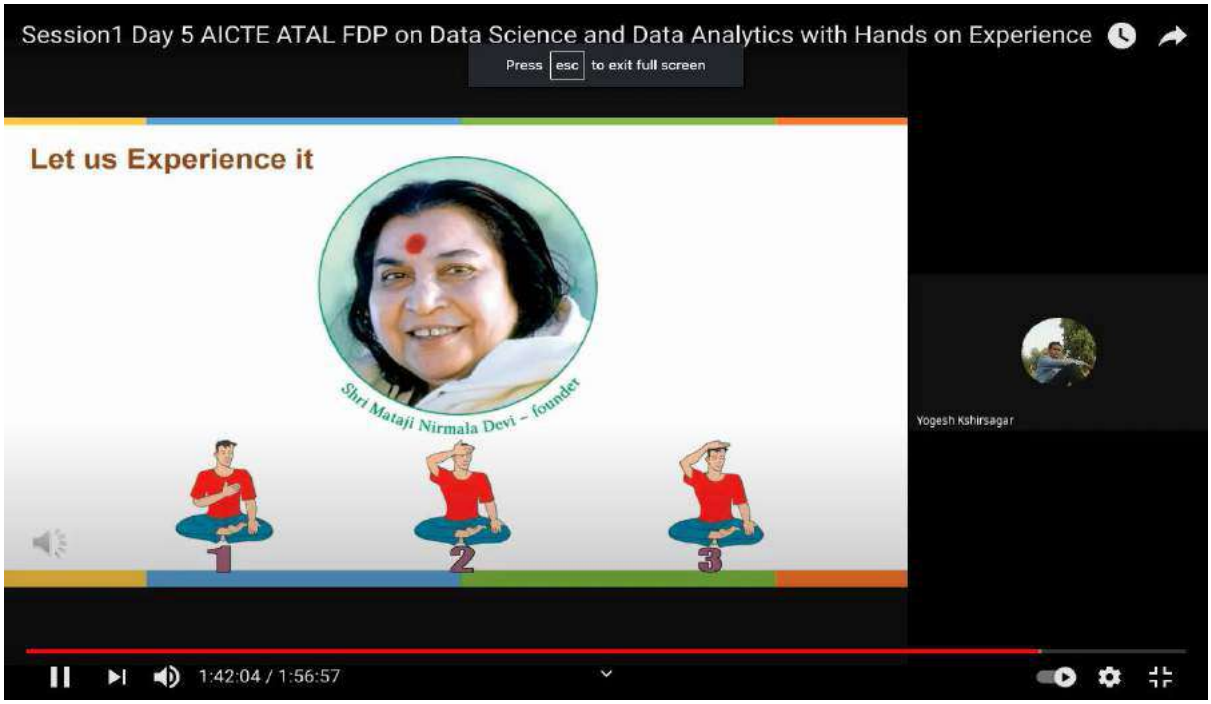
Day5 Session 1 : Introduction to Reinforcement learning

Speaker: Dr.Nandini Prasad K S, Dr.AIT



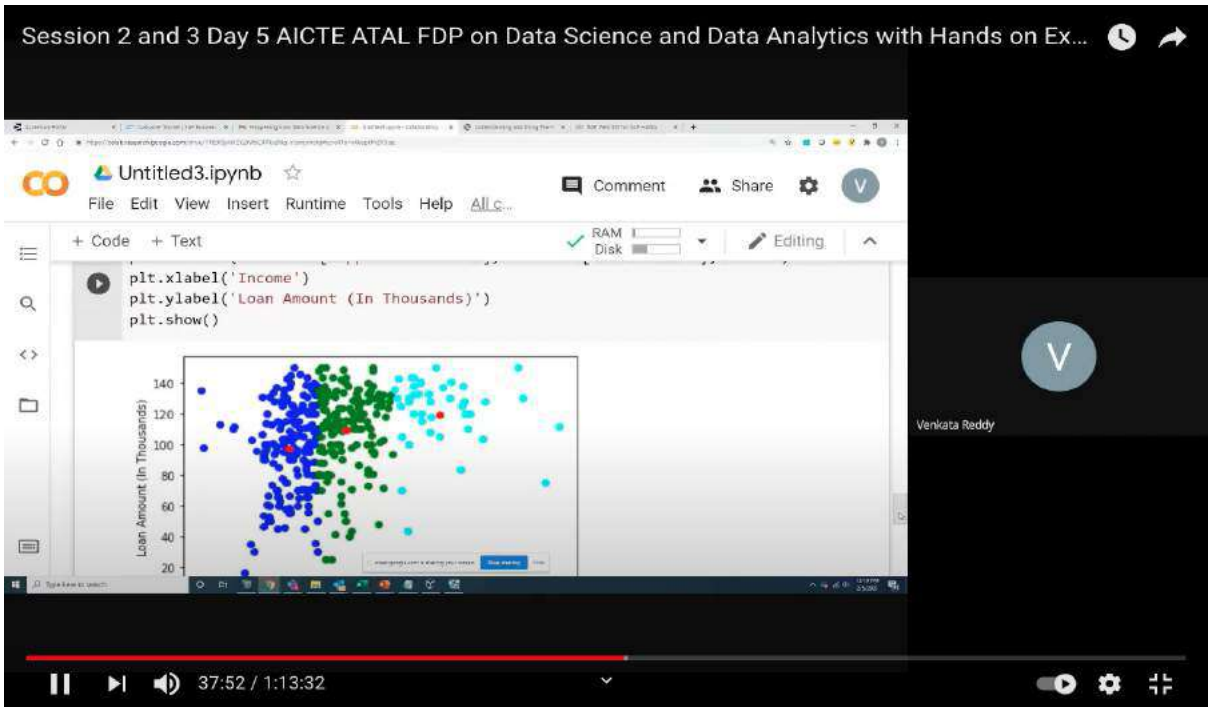
Day5 Session 2 : Sahaja Yoga

Speaker: Yogesh Kshirsagar



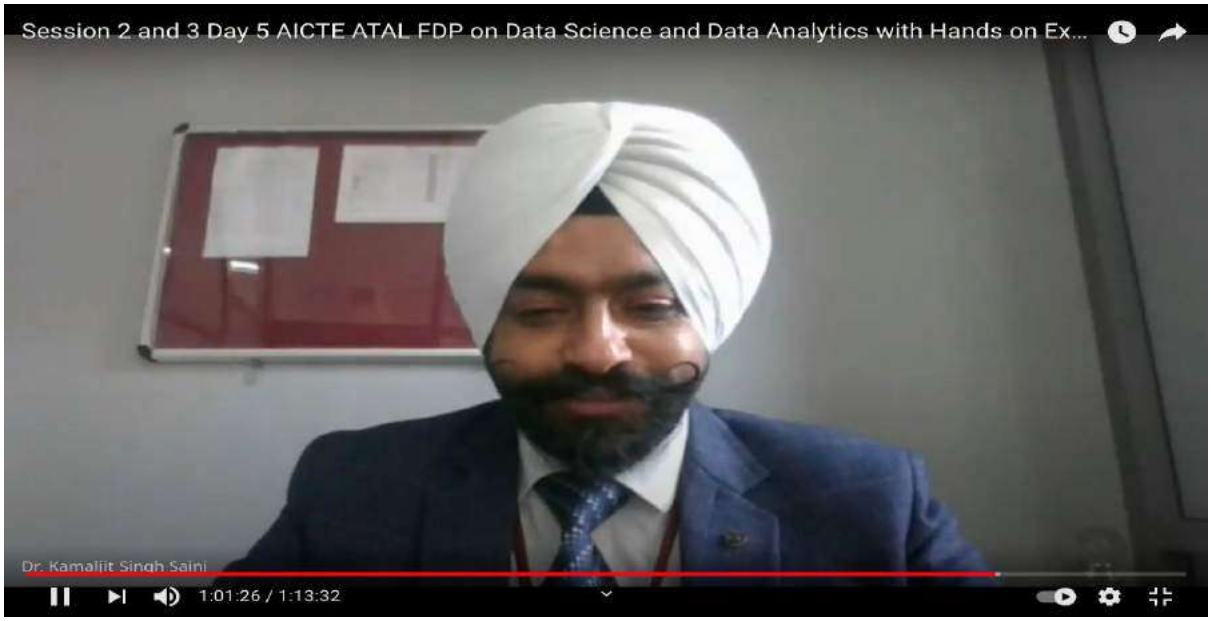
Day5 Session 3 : Unsupervised learning

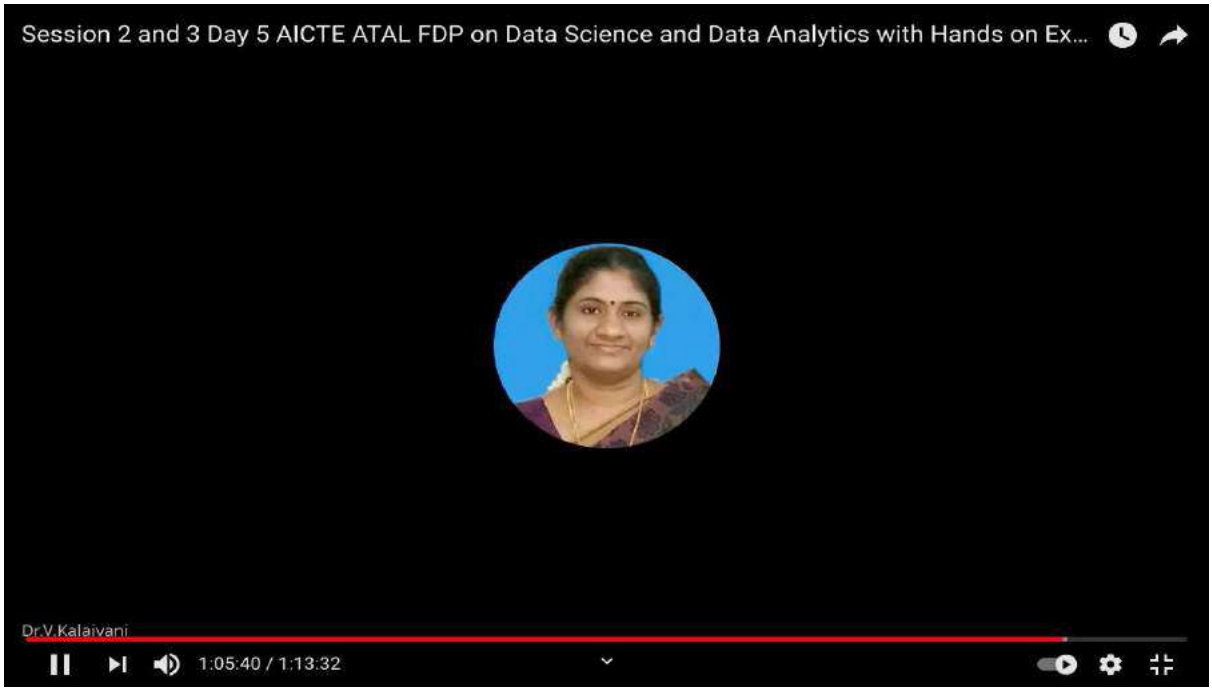
Speaker: Mr. Venkat Reddy, Accenture

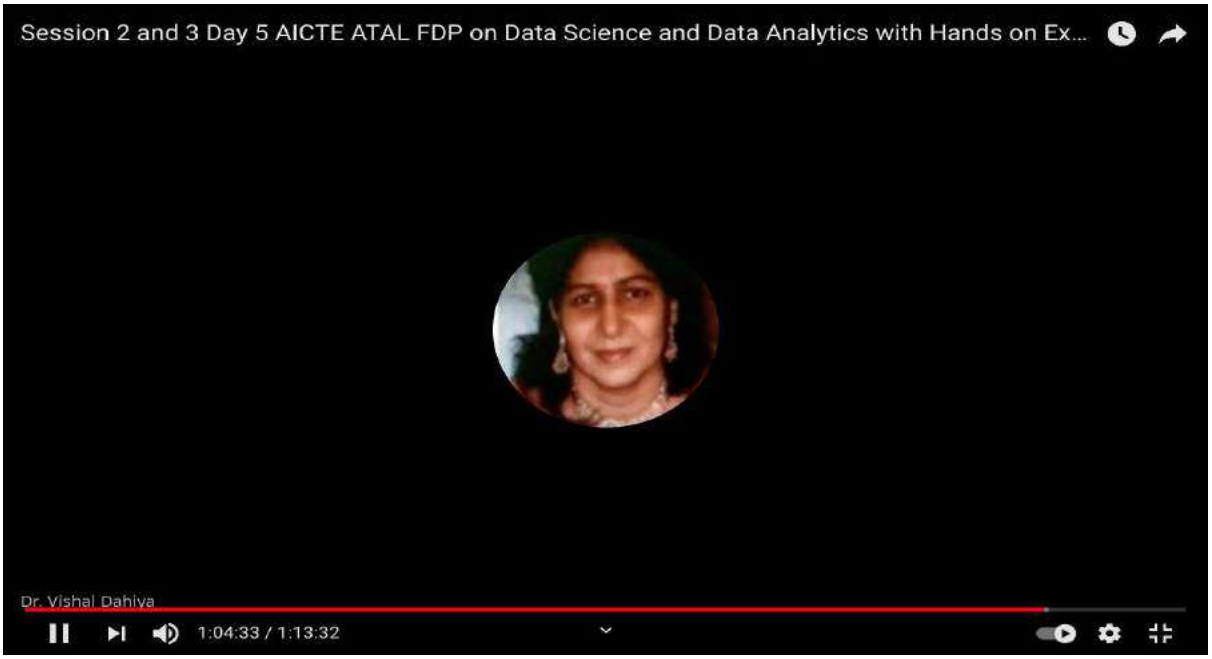


Feedback

1. By Dr.Kamaljit Singh Saini







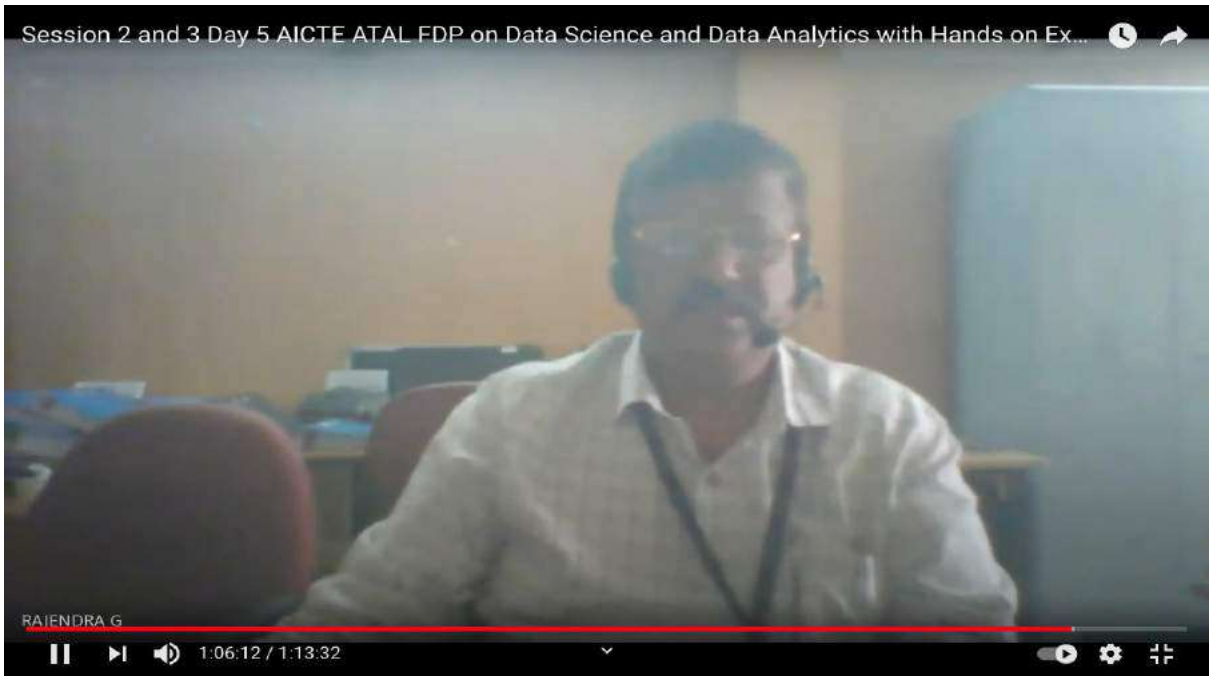
2. Dr.Kalaivani

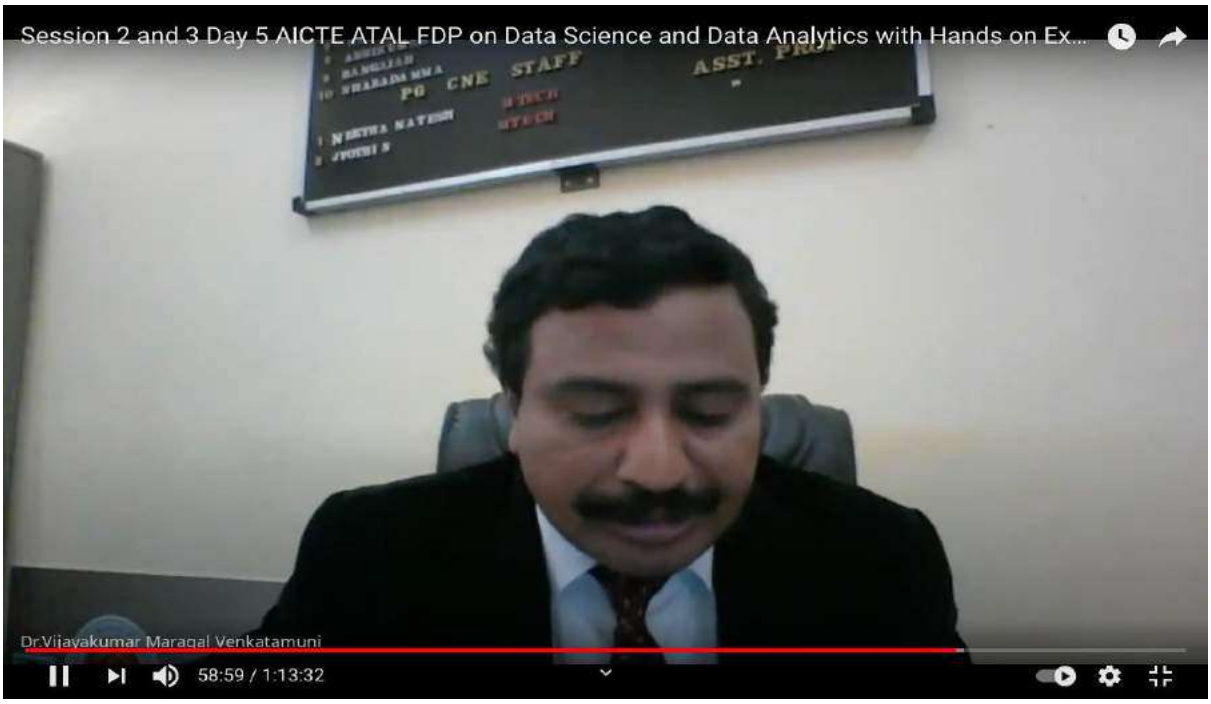
3. Dr.Vishal Dahiya

4. Sunita Sangwan

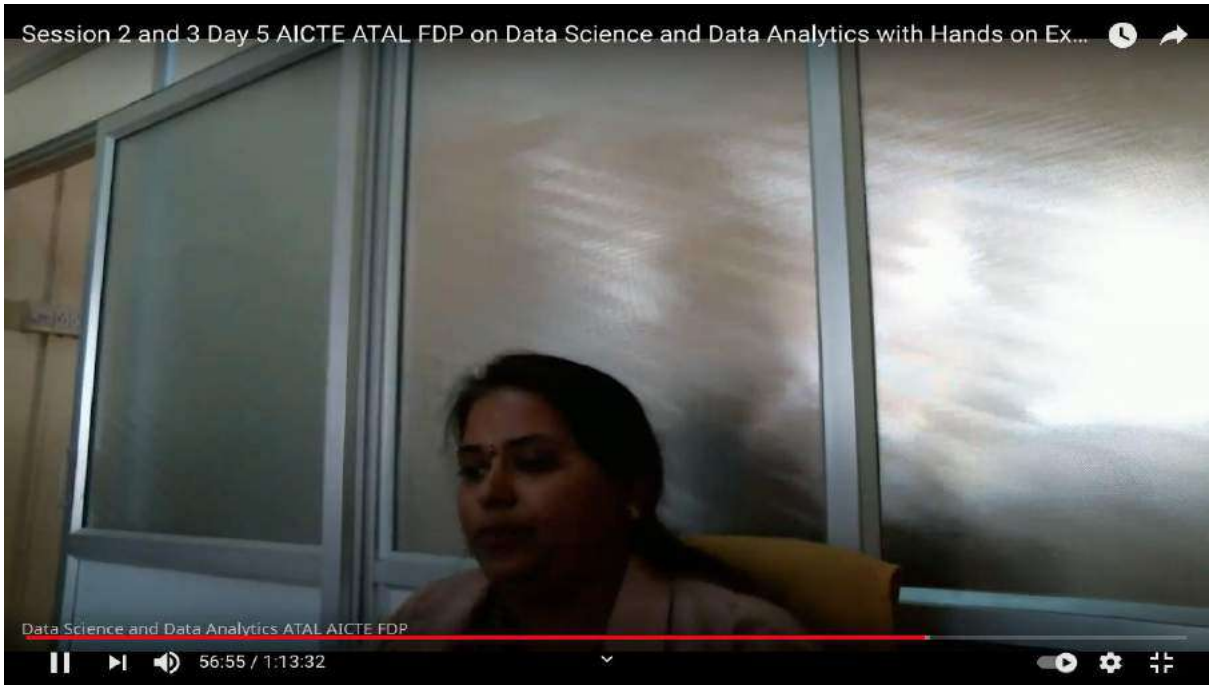
Valedictory:

1. Dr.Rajendra G (Principal Dr.AIT, Bengaluru)





2. Dr. M V Vijaya Kumar(HOD, Dept of ISE, DR.AIT, Bengaluru)



3. Dr. Nandini Prasad K S (Co-ordinator), Professor, Department of ISE, Dr.AIT

**********Thanks to AICTE-ATAL**********

Dr. Ambedkar Institute of Technology, Bangalore – 56

Department of Electronics & Instrumentation Engineering

The attached documents are valid and approved.

Prof. & Head 5/11/22

Professor & Head
Department of Electronics & Instrumentation Engineering
Dr. Ambedkar Institute of Technology
Bangalore - 560 056.

Scanned By Camera Scanner

OUTCOME OF THE STTP

WO1. Understand the process of course design in the framework of OBE and the NBA.
WO2. Understand the design of formative and summative assessments.
WO3. Understand the process of creating an active-learning classroom, flipped classroom, and student collaborations.
WO4. Understand the features of MOODLE Learning Management System.
WO5. Understand the use of some simple visualization tools.

RESOURCE PERSONS

Prof. N.J. Rao, Rtd. Professor, IISc., Bengaluru
Prof. K. Rajanikanth, Former advisor, MSRIT, Bengaluru
Ms. Vani Sastry, Bengaluru and
Ms. Sudha Aithal, Bengaluru

CHIEF PATRON

Sri. S. Mariswamy, Chairman, PVP Welfare Trust

PATRONS

Dr. M. Mahadeva, Managing Trustee / Secretary, PVP Welfare Trust
Sri. S. Shivamallu, Treasurer, PVP Welfare Trust
Sri. P. L. Nanjundaswamy, Trustee, PVP Welfare Trust
Sri. A. R. Krishnamurthy, Trustee PVP Welfare Trust
Dr. B.N. Umesh, Trustee PVP Welfare Trust

PRINCIPAL

Dr. C. Nanjunda Swamy

PROGRAM COORDINATOR

Dr. M.Meenakshi, Professor & HOD, EIE

CO-COORDINATORS

Mrs. Shubha P, Asst. Professor
Mrs. Monikashree. T.S, Asst. Professor
Mrs. Hamsa Rekha S D, Asst. Professor

AICTE sponsored one week online

Short Term Training Program

On

Pedagogy for Effective use of ICT in Engineering Education

Slot1: 23rd to 28th Nov 2020
Slot2: 7th to 12th Dec 2020
Slot3:4th to 9th Jan 2021

Platform: Google meet

Organized by

Department of Electronics and Instrumentation Engineering

REGISTRATION LINK
https://forms.gle/SH3bKcaKMkfkfsbW9

"Registration is Free"

Registration limited to 60 participants – First come first serve basis

ABOUT THE INSTITUTION

Dr. Ambedkar Institute of Technology was founded by Late Sri. M H Jayaprakash Narayan, in the year 1980 on the ideals of the great Bharatha Rathna Dr. B.R. Ambedkar, whose life was a saga of learning and uplifting the down trodden of the society. The Institution is one of the premier grant-in-aid by Government of Karnataka, approved by AICTE, New Delhi, Autonomous Institution affiliated to VTU, Belagavi and Managed by Panchajanya Vidya Peeta Welfare Trust, Bangalore. The Institution offers ten undergraduate, eleven postgraduate programmes (PG) of engineering including MBA, MCA. In addition Institution holds currently 15 research centers recognized by VTU. The Institution is accredited by NAAC with 'A' Grade and all eligible programmes by National board of accreditation (NBA).

ABOUT THE DEPARTMENT

Department of Electronics and Instrumentation Engineering was started in the year 1985 and has well equipped laboratories to meet the needs of curriculum as well as Research activities. The department is recognized as research center under VTU Belgaum. The department has well qualified and dedicated faculties to impart fundamental and applied knowledge in the field of controls, Instrumentation, Signal Processing, Biomedical, Embedded Systems etc.

VISION

To develop globally competent Electronics and Instrumentation Engineers with societal, environmental and human values through quality education, training and research.

MISSION

- To educate the students with the state of art technologies to meet the growing challenges of the industry and society
- To carry out research through constant interaction with research organizations and industry.
- Inculcate in students the lifelong learning attitude and passion for serving the society with moral and ethical values

OBJECTIVE

The role of ICT in education is becoming more and more important, and its importance will continue to grow in future. Use of ICT can facilitate pedagogically superior instructional methods that can significantly enhance active participation of students in the classroom. Many of the technologies have been evolving over the past two decades. The AICTE and UGC have been urging all educational institutions to use these educational technologies in the classrooms. Unfortunately, their use continues to remain very limited. The pandemic forced the entire country to move into a new normal. In the immediate future, all teaching-learning processes need to be conducted online. In the post-COVID situation ICT tools can be used to make the teaching-learning activities more effective, engaging, and efficient.

The main aim of this online workshop is to make participating teachers to experience online instruction and explore some ICT tools for education for the courses they teach. The effective use of ICT tools requires systematic design of courses, and familiarity with the tools that can enhance communication between the teacher and students, and even reduce the burden on the teacher. The workshop will present the design of courses including the design of assessments in alignment with outcomes, ICT tools for active-learning and collaboration, and assessment. It also explores the advantages of blended learning including flipped classroom.

MODE OF CONDUCTION

The workshop will be conducted online over five days with three one-and-half hour sessions per day. Each session will have two parts with Q&A sessions after each part. Two sessions will be conducted in the morning from 10.00 to 13.15 hours with 10-minutes break between the sessions. The afternoon session will be from 14.00 to 15.30 hours. The slides used by the resource persons with some additional resource material will be made available on the MOODLE website specially created for the workshop. There will be an online test conducted during the last session of the workshop. One mock test will be made available in the evening of the fourth day.

SCHEDULE OF THE STTP

This STTP program will be conducted in three phases from November 2020 to December 2020 as:

Slot 1: 23rd to 28th Nov 2020 (Last date for registration: 20th Nov, 2020)

Slot 2: 7th to 12th Dec 2020 (Last date for registration: 4th Dec, 2020)

Slot 3: 4th to 9th Jan 2021 (Last date for registration: 1st Jan, 2021)

Participants are welcome to join this program by selecting the above-mentioned schedules. Intimation to the participant about confirmation of Registration shall be given 2 days after the last date of registration. The daily schedule will be in three sessions starting from 10.00 am to 3.30 pm.

ELIGIBILITY FOR REGISTRATION

The programme is open to faculty of Engineering Colleges, Universities and other allied disciplines in India. Industry persons working in the concerned /allied areas can also attend

ELIGIBILITY FOR E-CERTIFICATE

- Attending Every Session is Mandatory.
- Getting a Score of greater than 60% in the test conducted on the last day of STTP (Day5).

Six-day Workshop on

Pedagogy for Effective use of ICT in Engineering Education

Organised by

Department of Electronics and Instrumentation Engineering

Dr. Ambedkar Institute of Technology,Bengaluru

During 23-28 November 2020

List of Candidates
