Profile of Prof. Prashanth C R

Dr. Prashanth C R received the B E degree in Electronics, the M E degree in Digital Communication and the Ph.D. degree from Bangalore University, Bangalore. He is currently Professor, Department of Electronics and Telecommunication Engineering, and Dean (Examinations), Dr. Ambedkar Institute of Technology, Bangalore. His research interests include Image Processing, Pattern Recognition, Biometrics, Computer Networks, Communication Engineering, Device Modeling and Engineering Education. He has over 50 research publications in refereed International Journals and Conference Proceedings. He is reviewer for International Conferences and Journals of higher repute.

He has served as a member of Board of Studies of Autonomous Institutions, UVCE, Bangalore University, Board of Examiners (UG/ PG/ PhD) of Bangalore University and Visvesvaraya Technological University, NMIT and RVCE. He is a member of PhD Registration Committee and Member, Faculty of Engineering, Bangalore University.

He is a senior member of IEEE (USA), member of Association for Computing Machinery (USA) and IACSIT, and life member of Indian Society for Technical Education, New Delhi and Fellow of Institution of Engineers (India), member of IEEE Education Society. He has received "Research Excellence Award 2021" from Institute of Scholars.

He is resource person in the area of Outcome Based Education, Revised Bloom's Taxonomy, Examination Reforms, Digital Pedagogy, attainment, target setting and strategy for improvement of outcomes etc. He is also a resource person for delivering lectures on Signal Processing, Communication Engineering, Analog

Electronic Circuits over EDUSAT and E-shikshana of Visvesvaraya Technological University.
