Prof. Asha Rani K. P.
CSE Programme

Dr. Veena A.
CSE Programme

What is the criteria of Team Formation?

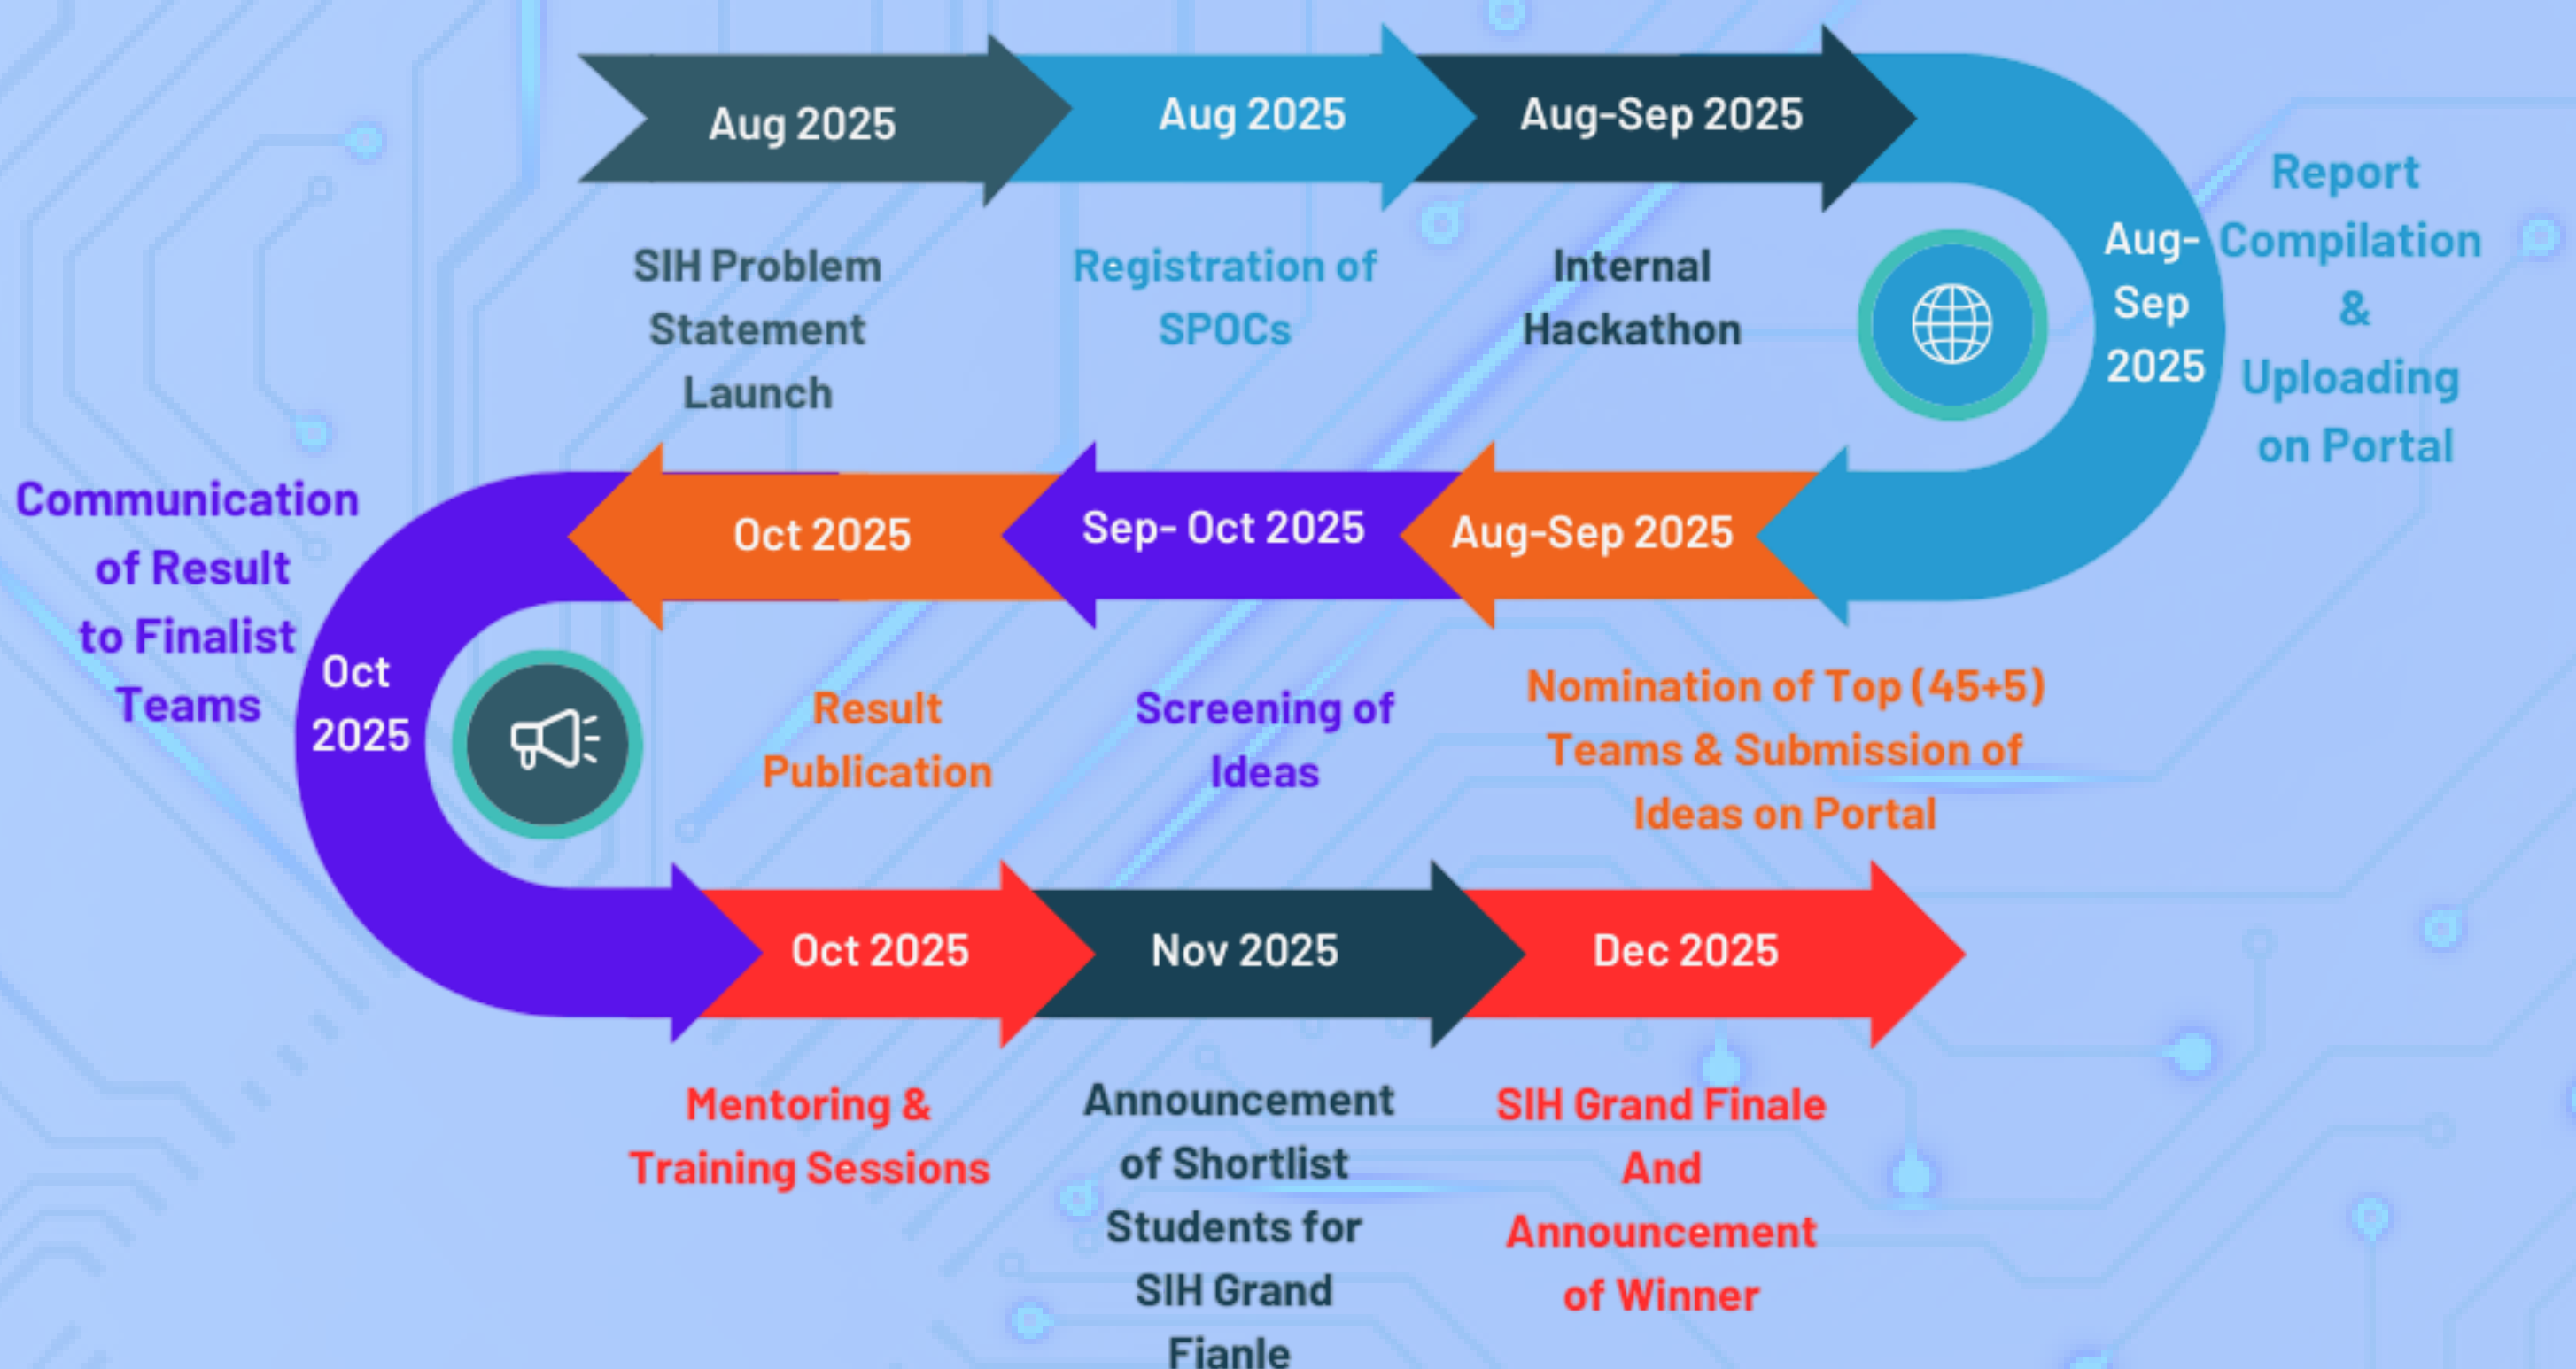

All participants must be from the same college; inter-college/school teams are not permitted.

Members from different branches or disciplines within the same institution may form a team.

Each team must consist of 6 members, including the team leader, and must include at least one female member.

For the Hardware edition, multi-disciplinary teams are encouraged, allowing for a mix of Mechanical Engineers, Electronic Engineers, Product Designers, Programmers, etc.

For the Software edition, which focuses on digital product development, it is mandatory that the majority of team members possess strong programming skills.

For details about Smart India Hackathon, students can visit SIH Website <https://www.sih.gov.in/>
